EMBRYOS

Embryo sires are:

- **ITOSHIGENAMI TF 148** is described as being one of the most influential marbling Wagyu sires ever to leave Japan. His sons are in demand for F1 Wagyu production, with their progeny feedlot accepted. His daughter's blood is in most of the successful young sires in Australia today.
- **JVP FUKUTSURU 068** has been the No1 marbling sire in the USA for the last 15 years in a row, semen now at US\$300 /straw.
- **TWA SHIKIKAN** a son of the best female ever imported from Japan in WORLD K's SUZUTANI. A proven marbling feedlot sire in Australia with semen now unobtainable.

Donor females are all from leading stud herds.

AUSTRALIAN WAGYU BREEDERS SPECIAL TERMS AND CONDITIONS

In addition to the AuctionsPlus User Agreement and Sale Terms (refer to the <https://auctionsplus.com.au/auctionsplus/operating-conditions>), and the Australian Livestock and Property Agents Association Limited (ALPA) and the Selling Agent's (Elders) Livestock Auction Terms and Conditions of Sale, the following special terms and conditions from Australian Wagyu Breeders will apply:

1. All Lots are 100% Full Blood Wagyu genetics except for the Purebred Polled Wagyu genetics.
2. BREEDPLAN figures are sourced from the Australian Wagyu Association (AWA).
3. Bidding for all embryos and semen straws are PER STRAW.
4. EXPORT SEMEN STRAWS – All export semen straws are USA qualified and when originally imported to Australia were transferred to an export tank as soon as they arrived and have export documents. Darley Kingjirou and Darley Shigetanimami were collected at Total Genetics in Victoria and are both USA Qualified.
5. EXPORT PROTOCOL – It is the responsibility of overseas buyers to check with authorities to ensure access to their purchases.
6. EMBRYOS – All embryos are either "Grade A" or "Grade B" – MOET made embryos.
7. TERMS OF SALE – All sales are final. The sale will be conducted on a GST exclusive basis and GST will be added to the sale price on the invoice. All purchases must be paid in full before delivery. All embryos and semen straws are sold ex-Agri-gene Pty Ltd.
8. FREIGHT AND INSURANCE – It is the Buyer's responsibility to insure the genetics prior to being picked-up or delivered. Agri-gene will invoice the Seller for the handling fees and freight, where the Buyer requires transport or delivery to a designated location. The Seller will raise an invoice to the Buyer separately for these items. The Seller's invoice for handling fees and freight must be paid by the Buyer before the genetics are released. It is the Buyer's responsibility to ensure that the Nitrogen Tank is returned to Agri-gene Pty Ltd at their own cost.
9. AUCTIONSPLUS – The sale will be handled through AuctionsPlus and the AuctionsPlus User Agreement and Sale Terms will apply. For more information, please refer to the <https://auctionsplus.com.au/auctionsplus/operating-conditions>. It is the Bidder's responsibility to ensure they are registered correctly with AuctionsPlus in order to bid.
10. LIABILITY – Australian Wagyu Breeders, its relations and associates, have not made any and hereby excludes all conditions, terms, undertakings and warranties, whether express or implied, written or oral, including any implied warranty of merchantability or viability of the genetics for sale. To the full extent permitted by Australian laws or of any State or Territory of Australia having jurisdiction, any conditions or warranties imposed by such legislation are hereby excluded.

The Seller or any other party with whom the Seller directly or indirectly had any agreement concerning the production of the genetics will not be liable for any consequential, special, indirect liability, loss, damage, cost, or expense (including, without limitation, any loss of any actual, expected or anticipated income or loss of any kind) suffered by the Buyer in connection with the purchase of the genetics.

The Seller and/or its relations and associates shall not be held liable for any direct or indirect, incidental, special and/or consequential damages including but not limited to the loss of profits arising out of any reliance on any information contained in this catalogue.
11. Subject to any reserve prices and the Seller's right to withdraw any Lot prior to the sale without declaring the reserve, the highest bidder shall be the Buyer.
