A massive dimension sire from all angles. High index at +143 reflects his superiority across multiply traits. Superior maternal lineage. Top 10% for 400 DAY GROWTH at +97 ticks this high profit box for "on farm" returns. Top 10% for 600 DAY combines well with +7.6 for EMA and top 20% marbling at +2.3. A real future breeding investment from a new sire line.

Reiland Angus reserves the right to collect semen at purchasers convenience.
