

ZCC

A man wearing a light-colored cowboy hat and a dark jacket is riding a dark horse through a field of black Angus cattle. The cattle are standing in a line, and the background shows a large tree and a clear sky.

Welcome to the
**COFFIN CREEK
ANGUS**

**8th ANNUAL
BULL SALE**

**1pm THURSDAY
22nd AUGUST 2019**

Bara Yards, Hayes Gap Road, Mudgee, NSW

Also as part of Southern Beef Week:
OPEN DAY FRIDAY 2nd AUGUST

WELCOME

Welcome to our 8th Annual Bull Sale and 28th year of breeding Angus cattle. The 41 bulls on offer this year reflect our goal of breeding soft, easy doing cattle with volume and muscle.

New sires to our program are Millah Murrah Lakeside L69 and Booragul Revenue M4. Both sires have made their mark already, with sons that will fit right into herds looking to add softness, muscle and body dimension.

Other key sires on offer this year are three versatile, industry-focused bulls with wide commercial application: EF Complement (USA), Matauri Reality (NZ) and Te Mania Emperor. We are thrilled with the fleshing and overall body type these sires bring, as well as their strong injection of performance from calving ease, to growth, and throughout the carcass. Their impact shines through in the strong data behind this year's bulls.

The sale bulls present for inspection in terrific condition. They have been prepared on oats crop only, and at 16 - 17 months will average around 700kg on sale day. They have been rigorously assessed and are ready to go to work in any environment. We have used Lots 3, 10 and 13 in our stud herd, and they will sell in working condition.

Our focus on genetic gain continues, and we recently completed our annual breeding program. A key part of this has been the ET program, featuring six young Millah Murrah cows purchased in 2017. We selected these cows as the base from which to expand our HBR herd, and we're extremely excited by the first crop of their ET calves to have hit the ground earlier this year. We are also over-the-moon with the quality of our yearling heifers, all of which were joined by AI in late June. They are the sisters to the sale bulls, and can be seen in our pre-sale video. The depth of quality in the cow herd is certainly improving.

We welcome the inspection of any of our cattle at any time, and also invite you to our Open Day on Friday 2nd of August, as part of Southern Beef Week. A video of the sale bulls can also be seen on our website.

Please get in touch if you'd like any more information, and we hope to see you on sale day.

With thanks,
The Coffin Creek Team

SALE DETAILS

TIME & PLACE:

1pm on the 22nd of August 2019 at the Bara Yards, Hayes Gap Road, Mudgee, NSW. See map on inside back cover.

SELLING AGENTS:

McDonald Lawson Pty Ltd, 73 Church Street, Mudgee, NSW
Bill Lawson: 0427 723 369, Terry McDonald: 0407 259 224
Andy Carter: 0429 721 442, Steve Rose: 0428 294 928
Guest Auctioneer: **Paul Dooley: 0458 662 646**

ON OFFER:

41 bulls are catalogued for sale. The bulls will sell aged 16-17 months. Bulls will be penned in small groups for your inspection from 10am on the morning of the sale.

FORMAT:

All lots will sell through the sale ring under normal auction conditions. Successful purchasers are requested to give written advice to the Selling Agents regarding transport arrangements at the conclusion of the sale. Buyers are encouraged to insure their bulls upon purchase. An insurance representative will be available on the day. All bulls are sold exclusive of GST.

REMOTE BIDDING:

The sale will be interfaced with  AuctionsPlus™
Prior online registration is required to bid using this system.

REBATE:

We offer a 2% rebate to outside agents registering buyers in writing prior to the sale, and settling on their behalf within 7 days of the date of invoice.

PHOTO & VIDEO:

We provide individual bull photographs and a video of the sale team on our website and Facebook page. A big thanks to Ben Simpson and OGA Creative Agency for all pre-sale video and photography.

CATERING:

A complimentary lunch featuring home grown Coffin Creek beef is provided thanks to Mudgee Catering Co before the sale. After the sale, we'd love you to hang around for a hot or cold drink and something to eat.

SAFETY:

The unfamiliar environment of sale day can sometimes cause unexpected behaviour in bulls. Please remember to exercise caution around them. No children are to enter the pens. Do not over crowd the pens. Please ask one of our team for assistance with moving or standing up bulls if required.

WHY BUY A YEARLING BULL?

Adaptability | Longevity | Mobility | Access to Genetics

OUR BULLS ARE:

Grass Prepared

The bulls have been grazing on oats since May and have received pasture hay as required since July. No bull has ever been fed grain or pellets.

Performance Recorded

All bulls are registered with Angus Australia and have had traits analysed by Breedplan. We also provide actual raw data on the bulls including scans and weights.

DNA Verified

All bulls have Genomically enhanced EBV profiles, are tested for recessive genetic defects and are DNA verified to either sire or mating.

Vaccinated & Drenched

2 x Ultravac 7 in 1 (Booster 13/05/19)
2 x Pestiguard (Booster 13/05/19)
2 x Vibrovax (Booster 21/06/19)
Cydectin Pour-On (21/06/19)

Vet Checked:

Prior to sale Steve Slack-Smith passed all bulls as fit for immediate use. They were assessed for:

- Reproductive soundness including palpation of internal genitalia and measurement of testicles,
- Foot soundness and eyeball clarity,
- Inspection of locomotion and leg structure,

Please note: No bull has ever had its feet trimmed. Our herd is J-BAS 7.

Semen Morphology Tested:

On 12/07/19 Brendan Coonan from Northern Artificial Breeders tested all bulls for semen motility and morphology.

Independently Assessed:

Prior to sale Brett Littler from Local Land Services inspected and scored the bulls for muscle content.

Screened for Temperament:

Our bulls are rigorously tested for temperament from an early age. They have been handled with motorbikes, vehicles, horses, dogs and on foot.

We visually assess our cattle for

SOFTNESS

FLESHING ABILITY

NATURAL THICKNESS

The results speak for themselves...

2018 - First Place, MSA Eating Quality RNA Paddock to Palate, 70 Day Trade Steer Division, EKKA, Brisbane, QLD

2018 - Seventh Place Weight Gain, Paddock to Palate, 70 Day Trade Steer Division, EKKA, Brisbane, QLD

2018 - Eighth Place Overall & Highest Placed pure bred Angus Team, RNA Paddock to Palate, EKKA, Brisbane, QLD

2015 - Champion Pen of 6 Carcases, RNA Paddock to Palate 70 Day Trade Steer Division, the EKKA, Brisbane, QLD

2015 - Second Overall, RNA Paddock to Palate 70 Day Trade Steer Division, presented at the EKKA, Brisbane, QLD

2015 - Champion Carcase, RNA Paddock to Palate 70 Day Trade Steer Division, presented at the EKKA, Brisbane, QLD

2013 - Reserve Champion Individual Live Steer Australian National Field Day, Orange, NSW

2013 - 1st Place Live-weight Gain on Grain Australian National Field Day Orange, NSW

2012 - Noel Williams Shield for Best Angus Steer Carcase Sydney Royal Easter Show, shown by Mudgee High School

2011 - Champion Pen of Three Steers, Hoof and Hook Beef Spectacular, Dubbo, NSW

2010 - Runner Up Best Live Steer Australian National Field Day, Orange, NSW

Sheer power from the Reality sire to lead off our 2019 bull sale. P41 is enormously wide, free-moving and stylish. He posted a big 100cm EMA and solid IMF scan. Heifer's first calf. Suitable for use over heifers. Top bull.

\$

COFFIN CREEK P64^{SV}

Outstanding width and depth in this powerful Emperor calf. He carries a heap of meat, particularly in his hind quarter. He scanned very well with 100cm EMA and 6.0% IMF. His dam's other son sold as Lot 2 in our 2018 sale. P64's EBVs suggest he will be suitable for use over heifers despite his body mass.

\$

COFFIN CREEK PARALLEL P86^{SV}

P86 is out of a beautiful, big framed cow in Abigail J21. A real favourite among early inspectors, he displays extraordinary length and smoothness. He is deceptively heavy. Currently backing up our heifer AI program, he is presented in working order and sells with our highest recommendation.

COFFIN CREEK POTENT P132 SV

Exceptional body length and style in this young sire. P132 is backed by a very strong dam line with great grandmother X45 only leaving us this year at 17 years of age. C11 and K29 are both terrific cows. Suitable for use over heifers.

IMPORTANT NOTICES FOR PURCHASERS

~ SALE CATALOGUE DISCLAIMER ~

All reasonable care has been taken by the vendor to ensure that the information provided in this catalogue is correct at the time of publication. However, neither the vendor nor the selling agents make any other representations about the accuracy, reliability or completeness of any information provided in this catalogue and do not assume any responsibility for the use or interpretation of the information included in this catalogue. You are encouraged to seek independent verification of any information contained in this catalogue before relying on such information.

~ DNA PATERNITY VERIFICATION ~

It is a requirement of Angus Australia that all bulls used to sire calves for registration in the Angus Australia Herd Book Register, Red Angus Register or Angus Performance Register must have been DNA paternity verified if they are born in or after the 'Y' year (2003). Buyers intending to use bulls listed in this catalogue to produce calves to be registered in these registers should obtain DNA paternity verification on those bulls before they are used for breeding.

~ PRIVACY INFORMATION ~

In order for Angus Australia to process the transfer of a registered animal in this catalogue, the vendor will need to provide certain information to Angus Australia and the buyer consents to the collection and disclosure of that information by Angus Australia in certain circumstances. If the buyer does not wish for his or her information to be stored and disclosed by Angus Australia, the buyer must complete the form included below and forward it to Angus Australia. If the form is not completed, the buyer will be taken to have consented to the disclosure of such information.

BUYER'S OPTION TO OPT OUT OF DISCLOSING PERSONAL INFORMATION TO THE ANGUS AUSTRALIA

If you do not complete this form, you will be taken to have consented to Angus Australia using your name, address and phone number for the purposes of effecting a change of registration of the animal(s) that you have purchased, maintaining its databases and disclosing that information to its members on its website.

I, the buyer of animals with the following registration numbers from member (name) do not consent to Angus Australia using my name, address and phone number for the purposes of effecting a change of registration of the following animal(s) that I have purchased, maintaining its databases and disclosing that information to its members on its website.
