TEMANA CHAROLAIS

Welcome

Terry and Maylene extend a warm invitation and welcome to everyone attending our 11th Annual on property sale at Glen Ayr Baradine NSW.

Even under the exceptionally challenging year we have all been handling the consistency in our breeding continues at Temana.

On offer are 24 moderately frame meaty bulls displaying good carcass characteristic, even fat cover, sound structure and great temperament.

We have 4 yearling bulls which we think are exceptional with softness, length, muscle and great temperament. Their Sire is Temana H99E who had length, softness, muscle and the most unbelievable temperament.

All the bulls Mothers has milk, length, depth and softness.

It is wonderful to hear from clients and how positive their feedback has been about the great results they are having with their individual crossbreeding programs.

All bulls are guarantee, semen tested, pesti virus free and vaccinated, 7 in 1 and vibrovax.

Congratulations to all our clients who are using Temana blood lines with great results at weaner and private sales, carcass competitions and show rings.

We look forward to seeing you here and if you like to view the bulls prior to the sale we would be more than happy to provide.

A Big Thank You for your past support and attendance.

Kind Regards

Terry and Maylene
