We have used WMR Timeless, this bulls sire, for a number of years now and found they are very even cattle that suit most markets. N709 is suitable for heifers. He is in the top 5% for Rib & Rump Fat (important for keeping condition on cows in the winter), top 10% 400D & 600 Day wt and 20% for 200 Day wt and Calving Ease Direct. Used over herd.
