WELCOME

The 2019 Annual Sale not only allows us a chance to showcase our program it is also an exciting opportunity for us to offer a group of Bulls and Females to you. In this year's sale we will offer our annual draft of Stud and Herd Bulls as well as a group of Females in what we are calling a "Heart of the Herd" Female Production Sale.

Apart from the 32 young Sires on offer we are excited to be able to offer 18 Pregnancy Tested In Calf Heifers and 32 Matrons of the herd that are proven females with their 2018 calves at side and rejoined. The 2017 drop heifers have been AI joined to trait enhancing sires and then backed up to Mt Ararat Jet L024 while the Matrons have either AI our natural calves at side and rejoined similarly to AI or our Herd Sires.

We are well aware that the year has continued to be a very trying time for some of our clients who have been dealt the cruel hand of Mother Nature with the extended dry, while the cost of feed and reduced cattle price have added to the issue. While we have enjoyed a fair season in the South a damp Winter had placed pressure on our program and we to are very conscious of the cost of fodder and the effect it has on your business.

Both Dong and I continue to be motivated by what the Australian Cattle Industry offers and we hope to be able to provide you with a diverse group of genetics with desirable traits and phenotype for your programs. The decision to offer Matrons from the Heart of the Lakeside Herd was made to firstly reduce some numbers from within our program but to also share some of the wonderful females and the strong genetics that had been the corner stone of our foundation through the purchase of the Waterfront and Callendale Herds.

We wish to extend an invitation to join us for our Field Day on Monday the 4th of February and to also join us on Sale Day Wednesday the 6th of February 2019. We look forward to welcoming new visitors and old friends to our Lakeside property and introducing our breeding program to you.

TRANSFERS

All Stud Cattle offered are purebred Simmentals / Fleckveih and are animals that are registered with the respective society and as such are eligible for transfer. Please indicate on your buyer Instruction sheet if you require your purchase to be transferred.

BUYER REGISTRATION

Intending buyers are requested to register with the selling agent on sale day prior to the commencement of the auction and need to display their registered buyer number upon the fall of the hammer.

INSPECTION

Inspection of the Sale Cattle will be available on the day of the S.A Beef Week Field Day (Monday 4th February 2019) and on sale day from 8.00am (Wednesday 6th February 2019). A private inspection pre the sale may be available by making an appointment with the Vendors or the Agent.

GST

All lots will be offered on a GST Exclusive basis.

PHONE BIDDING

Please contact the selling agent to arrange phone bidding. Note there is mobile telephone service available at the sale venue.

AUCTIONSPLUS

The 2019 Lakeside catalogue is to be offered interfaced with auctionsplus, any intending purchaser operating through this platform is encouraged to register a bid base with auctionsplus prior to the day of sale.

REBATE

A rebate of 4% is offered to outside agents that introduce their buyers prior to the sale in writing as well as accompany them to the sale and settle on their behalf within 7 days. A 1% rebate is offered to outside agents that introduce their buyers prior to the sale in writing and settle on their behalf within 7 days.

INSURANCE

Lakeside recommend insuring all purchasers upon the fall of the hammer and a representative will be available on the day to assist with your insurance.

Vendors Comments

We are very proud to be offering another quality draft of Stud and Herd improving young Bulls in our annual sale to be held at our Lakeside property at Robe on Wednesday the 6th of February. After a challenging season we have manage to finish the year reasonably well allowing the sale team to reach their potential leading into Summer.

Lily Xu

Dong Zhu

We continue to be amazed by the Australian Beef industry and are very excited to offer 35 industry acceptable Bulls to you from AI Sires in Rebel 857Y , Bank Roll 345B, Haldor 910A, Hugo 7052T, the Bar 5 boys in Reload and Evron as well as resident Sires from Woonallee, Waterfront and BT.

2019 has us in a position to open up to fellow breeders the opportunity to secure some tremendous matrons and terrific young Females. In a “Heart of the Herd”Female production sale we will offer 32 majestic mature females and 18 pregnancy tested in calf heifers. We were fortunate to be able to purchase two grand herds as the foundation of our Lakeside Stud which has created a tremendous base from us to grow from.

With numbers expanding through our extensive breeding program we have decided to offer a line of sound mature females with their 2018 calf at side and rejoined. Sound Matrons with genetic power and proven performance are a rare find with the Sire profile and genetic power in the calves at side here is a chance that should not be missed.

An impressive group of young heifers will be offered as AI'd to modern profile Sires and backed up by Bulls from within the Lakeside stable and will be pregnancy tested in calf pre the sale.

The Female production sale has been a decision not made lightly but a plan confident with the capacity and capabilities of these young Females. While we are excited in what the mature females offer understanding the footprint they have left within our Lakeside Herd as well as previously the Waterfront and Callendale herds.

Wishing you a successful purchase.
