GLEN FERN ANGUS

Property: Enterprise Road, Yundi, South Australia | Gregg & Casey Nash | Registered Angus Cattle

GLEN FERN was founded in the 1990s with the purchase of Ferndale Park Black Angus cows. The stud was run at Tintinara and then returned to the Fleurieu Peninsula in 2009. The stud masters selected and used LEADING AI sires to further the genetics and have culled heavily with an emphasis on good temperament and feet.

The stud has been selling up to 35 bulls a year to mainly local buyers.
