Glen Fern Angus

Property: Enterprise Road, Yundi, South Australia

Gregg & Casey Nash

Registered Angus stud cattle

GLEN FERN was founded in the 1990s with the purchase of Ferndale Park Black Angus cows. The stud was run at Tintinara and then returned to the Fleurieu Peninsula in 2009. The stud masters selected and used top AI sires to further the genetics and have culled heavily with an emphasis on good temperament and feet. The stud has been selling up to 35 bulls a year to mainly local buyers.

3 in 1 UNITS

Quiet temperament – mid maturity frame – sound feet and bone – good skins – outcross genetics
