- ✓ All bulls and females have been vaccinated with 7 in 1 and Pestigard
- ✓ All the bulls have been examined by our vet for soundness and scrotal size in accordance with industry best practice.
- ✓ Bulls and heifers have actual birth weights measured and recorded to enhance Breedplan accuracy.
- ✓ All bulls are sire verified.
- ✓ All bulls have been tested for known genetic conditions; SNP tested to genomically enhance Breedplan prediction values and poll gene tested.
