

**2019**

**THE 14<sup>TH</sup> ANNUAL**  
**SANTA CENTRAL SALE**

**TUESDAY**  
**17th SEPTEMBER – 12 noon**  
**HEADINGLY SALE COMPLEX, CLIFTON QLD**

# WELCOME:

**Photography by:**

Kent B Ward | Danni MacCue | Phoebe Ferguson

## **I would like to welcome you to this our 14th Annual Sale.**

This year's draft of sale cattle have been carefully selected and we all join together in offering only our very best cattle to you.

Santa Central vendors have dedicated another year in promoting Santa Gertrudis by showing at Sydney Royal, Emerald Feature Show and this year's Brisbane Exhibition. This is great effort on behalf of all the vendors and they are to be congratulated.

Another successful year in the commercial field where progeny have recently sold to sale topping prices in saleyards across Qld & NSW.

While the weather is affecting us all in some way, it is important to remember that there has been great generosity and kindness shown by so many people.

"Persistence and resilience only come from having been given the chance to work through difficult times" Gever Tully

I would like to thank my Clients, Family, Ned and all staff who have contributed to yet another busy and successful year.

*Regards  
Scott G Ferguson*

# JOIN US:

Santa Central Vendors would like to invite you to join them at the Federal Hotel (next to Dan Murphy's), James Street, Toowoomba from 6.30 to 7.00pm on Monday 16th September. The restaurant will be available for dinner that evening (a bulk booking has been made). Accommodation is available at the Federal Motel next door. Any enquiries please contact us via email: [glenoaks@westnet.com.au](mailto:glenoaks@westnet.com.au)

# Performance supplements for beef cattle

## Deliver protein and minerals to optimise production

Improving results in beef cattle systems requires year-round nutrition planning. Anipro provides convenient, custom nutrition liquid supplements that optimises available forage, minerals, and protein for herd health and profitability.

- Molasses based liquid supplement
- Provides essential protein, minerals and vitamins
- Up to 27% improvement in forage intake
- Fully serviced program saves time and money

### DIAMOND H

---

The Hatton family have been breeding Santa Gertrudis for over 40 years. The Diamond H Stud was established in 1993 with Yarrawonga and Waco bloodlines.

The Hatton family run pure bred commercial and stud herds over 5 properties in the Wandoan and Auburn River districts, north of Chinchilla. Their cattle country comprises of a mix of brigalow, ironbark, sandalwood and vine scrub, grassed predominately with buffel and some lighter forest areas.

Diamond H continues to proudly promote the Santa Gertrudis breed by annually exhibiting at the Royal Queensland Show. This year Diamond H received most successful exhibitor at the Emerald Feature Show.

Recent sires have been purchased from Waco, Glenn Oaks, Wave Hill, Warenda, Munnabah, Hardigreen Park, Yarrabee, Dunlop and Strathmore studs.

### GLENALBYN

---

Celebrating 50 years, Glenalbyn stud (no. 466) was established at Bourke NSW when classified Santa Gertrudis bulls were introduced to our Poll Hereford cows in the mid 1960's. This resulted in Mick, Poppy and Howard Courts registering their stud, Glenalbyn, in 1969. Stud cows were then purchased from Yarrawonga and sires from Pampoola, King Ranch and Spring Creek.

In the early 1980's sires were purchased from Swan Hill, Robenlea, Rosevale, Watasanta and the final King Ranch sale. In the late 80's more females were purchased from Yarrawonga.

Bulls and females offered today are sired by Glenn Oaks Jetlag and Warenda Kingston purchased in 2014 and 2016 respectively. Other studs' sires introduced include Burrumurra and Denngal.

Five years ago, retaining all its females, Glenalbyn Stud relocated to Wellington, NSW. We believe that these genetics produce cattle that can adapt to all conditions and reproduce every year. The cattle produced are soft, sound and easy doing that can manage tough conditions.

2019 has been a successful year for Glenalbyn where much of NSW and Queensland are experiencing consecutive dry years. Our commercially orientated S bulls sold for an average of \$4795 and we have topped the market

with CFA cows and cull heifers through Dubbo Regional Livestock Markets.

### GLENN OAKS

---

Glenn Oaks was started with females from Kabunga West and Bilukura Santa Studs. The late Bruce Perrett was very generous and looked after me well at the Big S sales.

Glenn Oaks females have always been run in conjunction with the Glenview Stud and early sires were from King Ranch and Yarrawonga-Waco.

We have consistently had success at Royal and Feature shows winning many broad ribbons. We have been fortunate to breed and sell bulls successfully that have gone onto breed for their purchases including names like Farmhand, Z77, Braveheart, Banker, Cooper, Drayton, Granville, Hastings, Jacabite, Jack Hammer, Jibba, Jabba, Jumbo Bwana and King Pin that have all sold for consistent prices into studs.

It is particularly pleasing to see Glenn Oaks bloodlines appear in pedigrees of sale cattle in 2017 for studs such as Waco, Jamar, Yugilbar, Glenalbyn and Yarrabee to name a few.

Recent sires from Yarrawonga, Waco, Diamond H and Dunlop have bred consistently for us. Not forgetting Yarrawonga Oberg daughters have been the most consistent breeders we have ever had. During the last 2 years sires have been purchased from Diamond H R47 and Munnabah Iron (with Warenda) these weaners are looking very promising.

2016 saw the purchase of Diamond H Red Foo (with Warenda and Wave Hill). We are enormously happy with his athleticism and constitution – seeing his first calves now on the ground.

2017 we purchased (in partnership with Warenda) Waco Murdoch and Waco L596.

### GOOLAGONG

---

Breeding quality beef is something that comes naturally for the team at Goolagong Santa Gertrudis at Warnertown, South Australia, with Brian and Heath Tiller being involved with beef cattle their whole lives. The stud has been through several changes since it purchased the original 17 Santa Gertrudis cows, three heifers and bull in 1979, and over the years Brian and Heath have worked hard to introduce the right bloodlines to improve the herd's confirmation, growth for age and fertility.

### ***Goolagong continued...***

Using some of the leading genetics throughout Australia with AI and standing sires, we aim to produce cattle that have very good phenotype, that are structurally correct and have good figures to back them up. Our stud has continued to incorporate the latest technologies in artificial insemination (AI) and embryo transfer (ET) programs this season. This has given us the opportunity to use the best genetics possible, to produce bulls with elite traits and characteristics.

The stud is continuously improving the quality of its herd by adhering to the Santa Gertrudis breed standard and showing cattle at various country shows and the Royal Adelaide Show. In 2014 we also started showing bulls at the Royal Brisbane Show. We have had many successes at these shows. We also have been selling cattle successfully at the Santa Central Sale since 2014.

### **HARDIGREEN PARK**

Hardigreen Park will be represented at the fourteenth Santa Central Sale for the fourteenth consecutive year. The Stud will present 9 bulls, 4 of which will be shown at the Brisbane Royal. The bulls offered for sale will represent the sons of the highly credentialed Drensmaine Apex (P), Wave Hill Hercules (P), Glenn Oaks Lionheart (P) and the first progeny of Yarrawonga Formidable (P). The performance of the dams is included in the catalogue and points to their high fertility. Meanwhile the top selling bulls at Dangarfield, Torrent(PS), Zoltan(P) purchased for \$ 57,500 and Warena Labrador (P) bought for \$ 55,000 were added to the sire battery.

### **MACAIRE**

In 1998 June and I purchased a property on the Hastings River at Brombin NSW inn the Hastings Valley with Poll Hereford herd included. After experiencing problems with bus ticks on the claves, calving problems with heifers we decided to purchase Santa bulls. I attended the Northern Breeders Tamworth bull sale in 2000 purchasing 2 quality bulls Fishing Tyrrell and Narganoo Yankee.

When the Big Sur dispersal was advertised June and I decided to attend, purchasing 9 cows with claves, 2 springing heifers and 4 yearling heifers.

Reaching over 100 classified females in 2010 we decided to cut our stud numbers. We advertised 57 cows with calves. These were purchased by Phillip Hague of Rockingham Santa Stud.

In 2013 we sold the property and purchased a small property on the Hastings River 5km's from Wauchope.

Needing to cut numbers again Alan and Sonya Martin, Riverslea Santa Stud purchased 33 classified cows and 24 with calves.

With a reduced her of 25-30 breeders we are concentrating on breeding quality bulls with good temperament.

We have shown locally with great success and in 2014 our 2 bulls and heifer took out the Sires Progeny award at the Brisbane Ekka.

### **MUNNABAH**

Tom and Anna Dunlop purchased Munnabah Santa Gertrudis stud, comprising of 90 registered and 150 commercial cows, in 2009 from its founders Harry and Jill Powell.

Commencing in 1980 Munnabah Santa Gertrudis was underway with the purchase of 100 Santa cows that were run on a second property "Caramana", Grafton. The progeny of these cows, by a registered bull, were sent to "Munna", Coolah to be fattened where the weight gain and marketability were so impressive that Harry and Jill registered Munnabah stud in 1987 with their first stud sire being Capricorn Ability.

Since then the strong genetic makeup of well-muscled and high weight gain cattle that will perform in a variety of stud, commercial and cross breeding herds and markets We have continued with numerous sire purchases over the years including Warena, Yarrawonga, Watasanta, Yulgilbar and Glenn Oaks.

We place enormous emphasis and improvement in weight gain, muscle, fertility, temperament, a neat sheath, and polled genes.

### **REHAM**

Reham located near Warwick, was registered June 2012. Purchasing my first stud bull Fishington Elvis sired by Wave Hill Z47 (P) at the 2011 Santa Central Sale. Over the last few years I have purchased various females from quality studs such as Warena and Wave Hill. As I am a keen promoter of the breed, I feel it is important to participate in showing, exhibiting at Brisbane 2019.

### SUJO

It all began when I moved to Coonabarabran to a very scrubby 4000 acres. During the first years nearly 2000 acres was bulldozed and improved to make this property what it is today.

I purchased 19 Santa Gertrudis purebred heifers from Robin Hooper of 'Boolarong' and my interest in cattle began. Later other breeds were purchased but Santa's showed outstanding constitutions and were more suited to this country.

In 1988 SuJo Santa Gertrudis Stud was registered. Females were purchased from Calga West, Murrumbo, Florando, Big Sur, Hardigreen Park, Pine Villa, Noralla and Kelly Wallah.

Bulls when weaned are fed hay until Spring, after which they fend for themselves until they travel to Glenn Oaks Fitting Service preparation.

#### TOOKEY CREEK and JARRAH PARK

Tookey Creek and Jarrah Park Studs are located at Bellata in North West NSW. The two studs are run and managed together.

Genetics used in this Sale include Moongana Hilux, Watasanta James Bond, Bullamakinka L128 and Waco Einstein.

We are very excited about new sires we have used and are looking forward to the spring calves from Watasanta James Bond, Hardigreen Park Tusk, Waco N222, Yarrowonga N22 and Tookey Creek Magnus M14 (a son of Waco Einstein).

The dry conditions have persisted in much of Eastern Australia and we feel very fortunate that we have a nucleus of females, together with some excellent bull power, to enable us to continue to produce quality young bulls and heifers for the upcoming seasons.

### WARENDA

The first Santa Gertrudis bull was purchased in 1965 and a commercial herd was established. This was the base of the Warena Stud registered in 1984.

Many sires have been purchased over the years. Recently, Bullamakinka Hallmark (P), Munnabah Iroman (PS) Diamond H Red Foo (P), Waco Murdock and Bullamakinka Nick (P). AI Programs have also been conducted.

Warena Stud commenced showing in 1990 and met with success in regional shows, breed feature shows and Royal Shows. Broad Ribbons have

been won at Brisbane, Sydney and Melbourne Royals with both heifers, cows, junior and senior Bulls.

Warena Stud conducted an on property sale for 12 years until 2009. Sales were successful with good clearances and loyal repeat buyers with bulls selling to studs. The stud herd was reduced in 2009 and Warena has been selling at the Santa Central Sale since with a bull average of \$10,304 for the last 10 sales.

### WAVE HILL

In the mid 1950's the Kirkby Family first imported Santa Gertrudis cattle from America. These cattle were the foundation of the Wave Hill Stud. Wave Hill has always concentrated on breeding cattle that are fertile and efficient. It has been important that the cowherd is low maintenance with cows expected to calve unassisted. Neat teats and good shaped udders are highly desirable and very hereditary. Doing ability is also strongly emphasized, along with trim sheaths and excellent scrotal measurements.

Wave Hill has had major achievements at auction sales. Bulls have consistently sold for excellent averages for many years in both QLD and NSW. At the 2015 Santa Central sale Wave Hill achieved equal top prices of \$67,500 for two bulls Wave Hill Jager(P) and Wave Hill Jackal(P).

Wave Hill has been showing cattle for many years with success. Winning broad ribbons at both Sydney and Brisbane Royal Shows. Achievements have been Grand Champion Bull at Brisbane RNA in 1994 and again in 2015.

2017 saw the Wave Hill stud sold to Scott and Wendy Ferguson.

As a set of benchmark figures that approximate the current genetic level for the breed, you will find the average EBVs for all animals born in 2011 (Table1) to be very useful. You can use these average EBVs to help you to assess the relative ranking of animals for the various traits. Only Santa Gertrudis GROUP BREEDPLAN EBVs or Interim EBVs with Accuracy (ACC) can be validly compared between herds.

**ESTIMATED BREEDING VALUES (EBVS):** The EBV is the best estimate of an animal's genetic merit for that trait.

**ACCURACY:** An accuracy is presented with every EBV and gives an indication of the amount of information that has been used in the calculation of that EBV. The higher the accuracy the lower the likelihood of change in the animal's EBV as more information is analysed for that animal or its relatives. Accuracy below 50% should be considered low.

**FERTILITY**

**SS:** Scrotal Size EBV (cm) is an indicator of male fertility in regards to semen quality and quantity. Higher (positive) EBVs indicate higher fertility. Size is also positively associated with earlier age at puberty of bull and heifer progeny.

**DC:** Days to Calving EBV (days) is an indicator of female fertility based on the time between the cows first exposure to a bull and when she subsequently calves. Cows that calve late in the season or fail to calve are penalized. This is more useful as a sire trait. Lower (negative) EBVs are preferred indicating shorter days to calving for sire's daughters.

**GROWTH**

**MILK:** 200-Day Milk EBV (kg) is an estimate of an animal's milking ability. For sires, this EBV is indicative of their daughter's milking ability as it affects the 200 day weight of their calves.

**200:** 200-Day Growth EBV: (kg) is calculated from the weight of animals taken between 80 and 300 days of age. Values are adjusted to 200 days and for age of dam. This EBV is the best single estimate of an animal's genetic merit for growth to early ages.

**400:** 400-Day Weight EBV (kg) is calculated from the weight of animals taken between 301 and 500 days of age, adjusted to 400 days and for age of dam. This EBV is the best single estimate of an animal's genetic merit for yearling weight.

## EBVs

**600:** 600-Day Weight EBV (kg) is calculated from the weight of animals taken between 501 and 900 days of age, adjusted to 600 days and for age of dam. This EBV is the best single estimate of an animal's genetic merit for growth beyond yearling age.

**MWT:** Mature Cow Weight EBV (kg) is an estimate of the genetic difference in cow weight at 5 years of age. Smaller, or more moderate EBVs are generally more favourable.

### CARCASE

**CWT:** Carcase Weight EBV (kg) estimates the genetic difference in carcase weight at a standard age of 650 days.

**EMA:** Eye Muscle Area EBV (cm<sup>2</sup>) estimates the genetic differences in eye muscle area at the 12/13th rib site of a 300kg dressed carcase. More positive EBVs indicate better muscling on animals.

**RIB:** Rib Fat EBV (mm) estimates the genetic differences in fat depth at the 12/13th rib site of a 300kg dressed carcase. More positive EBVs indicate more subcutaneous fat and earlier maturity.

**RUMP:** Rump Fat EBV (mm) estimates the genetic differences in fat depth at the P8 site of a 300kg dressed carcase. More positive EBVs indicate more subcutaneous fat and earlier maturity.

**RBV%:** Retail Beef Yield Percent EBV (%) represents total (boned out) meat yield as a percentage of a 300kg dressed carcase. A more positive EBV indicates higher percentage yield for the 300kg carcase size.

**IMF%:** Intra Muscular Fat Percent EBV (%) is an estimate of the genetic difference in the percentage of intra-muscular fat at the 12/13th rib site in a 300kg carcase. Depending on market targets, larger more positive values are generally more favourable.

*The Santa Gertrudis GROUP BREEDPLAN Estimated Breeding Values contained in this Sale Catalogue were compiled by the Agricultural Business Research Institute (ABRI) from data supplied by the breeders. Neither the Santa Gertrudis Breeders (Australia) Association nor the ABRI oversee or audit the collection of this data.*

## SALE INFORMATION / LOCATION MAP

**Whilst all care is taken, people attend Santa Central Sale at "Headingly" at their own risk and no responsibility will be accepted by us.**

### SUPPLEMENTARY SHEET:

All bulls will have been scanned prior to the sale. These scans include measurements for eye muscle area and fat at the rump and rib sites. This sheet will also include actual sale weights and scrotal sizes to guide your selections.

### VACCINATIONS & TESTS

All bulls have been inoculated for 7 in 1, Vibrio, 3 Day and 3 Germ Blood. All bulls have been semen tested for motility and morphology.

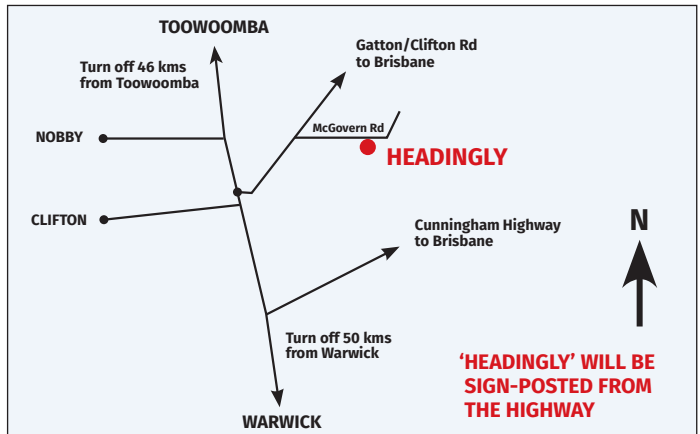

**DELIVERY:** Apart from purchasers who have trucks present on the day – NO delivery will be given until the day after the sale. Free delivery only applies to the following centres: Dalby, Wandoan, Taroona, Roma, Blackall, Goondiwindi, Narrabri, Tamworth. Buyers will be advised by the agents regarding their deliveries.

**INSURANCE** is recommended and an insurance representative will be present on the day.

**OUTSIDE AGENT REBATE:** A 4% rebate will only apply to purchasers that are introduced in writing 24 hours prior to the sale to Jennifer Radke. Phone: 07 4637 3000 – Jennifer.radke@landmark.com.au The agent is required to appear in person with their buyer and settling their account within 7 days.

**CONDITIONS OF SALE** are on public display at the agent's office.

**Please contact Scott Ferguson mob 0407 645 917 for more information.**

## DIAMOND H

### ***Wave Hill Jackal (P)***

Son of Glenn Oaks Fleetwood purchased at Santa Central 2015 for equal top price of \$67,500. Producing an exceptional line of poll bulls and females. This is the second season of bulls to be offered at Santa Central 2019.

### ***Glenview Granville (PS)***

Son Diamond H Red Foo (P) sold to Glenn Oaks, Warenda and Wave Hill studs for \$40,000 in 2016. His progeny are noted for excellent weight gain and softness.

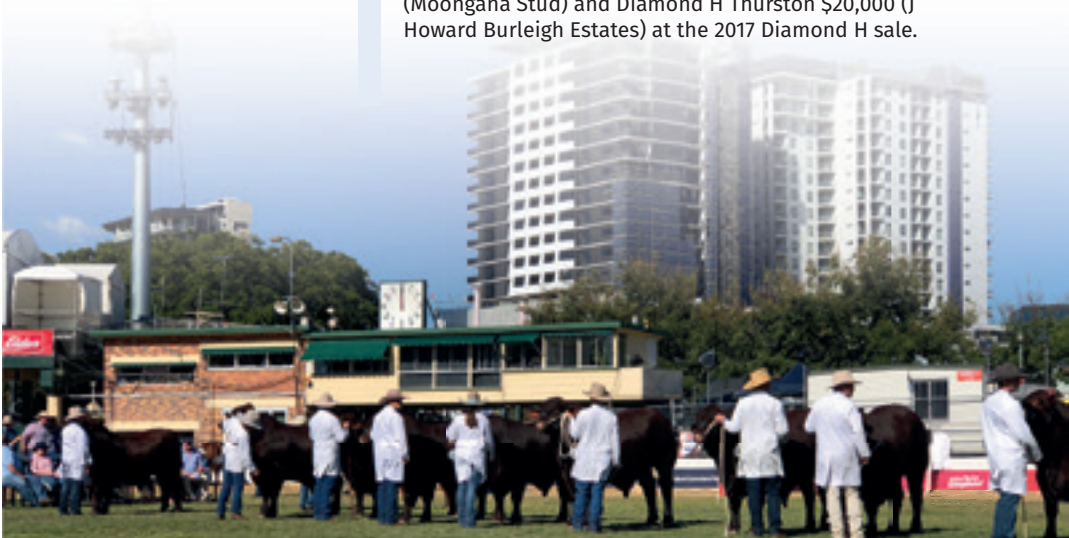

### ***Glenn Oaks Lambert (P)***

Purchased for \$12,000 (Dunlop Kaiser) for the qualities of softness and coat type. First sons offered in the Santa Central 2019 draft.

### ***Waco Chapman (ET) (P)***

Purchased in 2014 for \$42,000, sired by Yarrawonga Youtube. Consistently breeding quality easy doing cattle. Top prices received for sons Diamond H Trickshot (P) \$30,000 (Moongana Stud) and Diamond H Thurston \$20,000 (J Howard Burleigh Estates) at the 2017 Diamond H sale.

## REFERENCE SIRES

### GLENALBYN

#### **Glenn Oaks Jet Lag (P)**

Glenn Oaks Jetlag was purchased at the 2014 Santa Central Sale for \$24,000. He has proven to be an exceptional sire. His progeny have classified at better than 84%. His females are very fertile and highly regarded in the stud and his sons are proving themselves in their own herds.

This photo shows Jetlag at 7 years of age and still standing proud. His good muscling and excellent breed characteristics are displayed in his progeny.

#### **Warenda Kingston (P)**

Warenda Kingston was purchased at the 2016 Santa Central Sale. Selected for his poll head and very neat sheath with an EMA of 136 and a scrotum of 43cm. He is a son of the great Warenda Charlton.

Kingston has a 100% success rate of getting his cows, which are all by Glenn Oaks Jetlag, in calf. He is a very proud sire that carries himself well and remains in top condition unassisted, despite the drought. These are his first drop of calves.

### GLENN OAKS and WAVE HILL

#### **Waco Eland (P)**

Eland had been a fertile sire. He is admired for his doing ability and quiet nature. He is putting considerable muscle into his progeny.

#### **Munnabah Ironman (P)**

Ironman was purchased at the 2015 Santa Central sale in partnership with Glenn Oaks/Warenda studs for \$22,000. Ironman was chosen for his correct structure, slick tropical coat, placid temperament, impressive growth pattern and an EMA of 128. His calves display these desirable traits and both he and his progeny are a delight to work with. He is a beautifully balanced bull and proving to be an impressive sire.

#### **Warenda Kilimanjaro**

Kilimanjaro was offered at the 2016 and purchased by the Hatton family of Santahat Stud for \$50,000. A share was retained by Warenda and Glenn Oaks. He has been used extensively in an ET programme with some very pleasing results.

### ***Yarrowonga Finisher L846***

Yarrowonga Finisher was purchased for \$28,000. He appealed immediately when in preparation for the Ekka for his strength, bone, conformation, balance and above all temperament.

### ***Goolagong Kakadu K12 (AI)***

Goolagong Kakadu was purchased at the Santa Central 2016 sale by Wave Hill for \$30,000. Unfortunately Kakadu was injured during his second season.

### ***Goolagong Leopard L26 (AI) (P)***

Goolagong Leopard (AI) (P) was purchased at the 2016 Santa Central sale for \$23,000 he had been awarded Reserve Junior Champion at the Ekka one month earlier. A very impressive line of calves have just been weaned from 'L' and 'M' females.

### ***Yarrowonga J134***

Purchased for \$22,000. J134 has bred well and we will retain many growthy dark poll stylish females in the stud. One daughter Glenn Oaks Macey sold to Nioa Stud for \$12,500 she has continued to have a successful show career for Nioa.

### ***Waco Attorney***

Attorney is our go to bull for fertility and consistency. He certainly leaves his work on his progeny with even lines of well-muscled bulls with excellent temperament.

## REFERENCE SIRES

### GOOLAGONG

#### **Waco Emperor K512 (P)**

Emperor was purchased from Yarrowonga-Waco Sale in 2014 for \$50,000. Won his class at Beef 2015 in Rockhampton. By Waco Yale.

#### **Glenn Oaks Jumbo Bwana**

He is very quiet with muscle, conformation and a good poll head all of which is evident in his progeny.

Was purchased by Yarrabee Stud for \$40,000 in 2016. We purchased semen in Jumbo Bwana.

#### **Waco Zeus**

Zeus demonstrates good muscle and constitution. These attributes, plus a huge growth pattern are evident in his progeny. His dam, Yarrowonga A709, is one of Yarrowonga's top producing females.

#### **Glenn Oaks Magnate**

**Top price bull  
purchased for \$60,000  
by Dunlop Santas 2018**

**HARDIGREEN PARK**

***Drensmaine Apex (P)***

Apex's first draft of 3 bulls averaged \$ 27,666 to a top of \$50,000. He continued to breed quality stock and was represented by 4 bulls at the 2018 sale, which averaged \$ 15125.00. He will have 4 sons go under the hammer this year

***Glenn Oaks Lionheart (P)***

Lionheart (P), who was purchased in 2016 for \$38,000 and is represented in this year's sale team by Hardigreen Park Vision (PS).

***Glenn Oaks Fleetwood (PS)***

Fleetwood was purchased in 2011 at Santa Central for \$12,000. He had stood 2nd to the Junior Champion at the 2011 Brisbane Exhibition. He has been a very good calf getter leaving large lines of very even females. Wave Hill Jackal(P) by Fleetwood sold at 2015 Santa Central sale for equal top price of \$67,500. In 2017 Larrikan sold for \$67,500 Fleetwood was sold to the Hardigreen Park Stud in October 2015.

***Restdown JR245***

***Purchased 2015  
by Dunlop Santas***

## REFERENCE SIRES

### MUNNABAH

#### ***Wave Hill Squatter (P)***

Squatter was purchased at the Santa Central sale in 2016. He was purchased for his outstanding depth of body, muscle, top line and tidy sheath. Squatter has been a prolific calf getter and has left large even lines of heifers throughout the stud, which are displaying his softness, tidy udders and femininity. These are his first line of bulls to be sold at Santa Central.

#### ***Glenn Oaks King Pin (P)***

King Pin was purchased at the 2015 Santa Central Sale, he was purchased for his correct structure, slick coat and depth of body. King Pin is leaving large even lines of heifers and bulls and his progeny are showing great breed character along with a placid nature. He is a well-balanced bull who has proven to be the go to bull for our stud with a great hit rate evident in his pregnancy tested females.

#### ***Munnabah Hercules (P)***

An outstanding calf who was grand champion at Sydney Royal in 2014, has continued to impress with his well balanced Santa Gertrudis characteristics. His combination of length and depth as well as his softness and quiet nature have been the reason we kept him within the stud.

### SUJO

#### ***Munnabah 944 (P)***

Purchased from Santa Central 2015 by the Wave Hill for \$15,000, 42cm scrotum, 131cm EMA and showing tremendous breed character. The Sujo Stud leased this sire for one season.

### **Yarrowonga K482 (P)**

K482 (P) by the powerful Yarrowonga Avenger (PS). Dam is a top breeder at Yarrowonga of all poll breeding used in their embryo transplant program. The Watasanta Stud purchased him at only 23 months of age weighting 886kgs, DWG of 1.25kg per day, 134cm EMA and scrotum of 39cm. The Sujo Stud purchased him in 2016 and has proved successful passing on his thick hindquarter, softness and impeccable temperament. His first sons are presented in this 2019 sale.

## TOOKEY CREEK and JARRAH PARK

### **WACO EINSTEIN (P)**

Waco Einstein K808 (P) was purchased for \$47,500 at the 2015 Yarrowonga Waco Bull Sale. Einstein is by the very successful Waco Yale. He was purchased for his tremendous depth and volume, neat sheath, dark slick coat and structural correctness. We have been very impressed with both his bull and heifer calves, and were extremely disappointed when he broke his leg in his second season. As a result, 2019 sees the last of Einstein calves to be offered for sale. In 2018, Einstein's only son to be offered at public auction was sold for \$47,500 to Yulgilbar stud. We have retained a son to continue the consistent breeding of this great sire.

### **Watasanta James Bond 1808**

James Bond 1808 (P) was purchased in 2015 at the annual Watasanta Bull Sale. James Bond is a very stylish bull with a slick coat and skin type and fantastic breed character, attributes that he's passed onto his progeny. An outstanding sire, winning Senior Champion at Sydney Royal Easter Show. A son of Canowindra In The Groove, a bull we admired when purchased by Watasanta. In 2018, the only son of James Bond offered at sale, sold for \$38,000. James Bond is still active in the herd and we are excited by the impact he is having.

### **Moongana Hilux H2230 (P)**

Moongana Hilux H2230 (P) was purchased at the 2014 Moongana Invitational sale. Hilux was purchased for his tremendous volume and depth of body, slick coat type and tidy underline. While producing fantastic bull calves, his heifers have been outstanding with many retained in the studs. A son was retained and used in the studs in 2017, with a terrific line of weaners on the ground now. We expect some of them to be available here in 2020.

### WARENDA

#### ***Warena Charlton (Ps)***

Charlton (PS) a 12 years is still a very active free moving bull with sound feet, a tidy underline, and a quiet temperament. His daughters with their tidy udders and plentiful milk are proving to be an asset to the stud. To date 42 bulls have sold at auction to average \$10,696 with top price of \$67,500 for Wave Hill Jager (P) and \$50,000 for Warena Killamanjaro (P).

#### ***Bullamakinka Hallmark (P)***

Hallmark (P) was purchased at the Wandoan Sale in 2012. He is a long smooth bull with a strong backline, placid temperament, soft dark coat and neat underline. His young daughters display breed character, with neat udders and proving be good young dams. To date 12 bulls have sold at auction for an average of \$9792.

#### ***Diamond H Red Foo (P)***

Red Foo was purchased in partnership with Glenn Oaks, Wave Hill and Warena studs.

Unfortunately he has died prematurely.

#### ***Munnabah Ironman (P)***

Ironman was purchased at the 2015 Santa Central sale in partnership with Glenn Oaks/Warena studs for \$22,000. Ironman was chosen for his correct structure, slick tropical coat, placid temperament, impressive growth pattern and an EMA of 128. His calves display these desirable traits and both he and his progeny are a delight to work with. He is a beautifully balanced bull and proving to be an impressive sire.
