WELCOME TO DELL AFRICAN DUMISA

Dorpers & White Dorpers

WE would like to welcome you to our 9th On Property Ram Sale to be held on the 6th October 2019 at Fairfield Farm, Thyra Rd, Moama. Due to Covid19, this year is a little different, as we have decided to split our ram sale and ewe sale.

The 5th October will see our Innaugral Diamond Ewe Auctionsplus sale, which is an exclusively online auction.

There will be no ewes on offer at our 2020 On Property Ram Sale (Tuesday 6th October).

All our sheep are from a dermatosporaxis free flock, brucellosis accredited and we are in the Riverina Biosecurity area, which means our sheep can go anywhere in Australia.

In thirteen years of dedication to the breed, this year's rams are of the very highest quality presented for sale Australia wide. Dell African Dumisa rams are extremely fertile, with exceptional length & depth in our genetics to produce Dorper prime lamb with outstanding doing ability, that are able to adapt & thrive anywhere in Australia.

The sale will be interfaced with Auctions Plus which will include an online catalogue, photos and videos of individual rams in lot order. All photos & some videos will be up on the following website by Friday the 26th September 2020.

<https://auctionsplus.com.au/auctionV2/New/#/presale/23958>

SALE INFORMATION

CLASSIFICATIONS

All rams have been inspected by breed inspector Marius Loots (Prieska Dorpers), prior to the sale and meet the breed standards. We are confident that we are offering quality animals for sale.

No Colour Guarantee

Due to the nature of genetics White Dorpers can be known to occasionally throw colour. As this is out of our control, we cannot guarantee that our rams and ewes will breed only pure white lambs.

HEALTH

Dell, African & Dumisa Dorpers & White Dorpers are Ovine Brucellosis accredited flocks. All sheep are within the Riverina Biosecurity area & from a flock not infected or suspected of being infected with Ovine Johnes Disease. All rams have been vaccinated with Guardian 6 in 1 and drenched 8 weeks prior to sale.

African and Dumisa Studs are all dermatosparaxis free flocks.

Thankyou to Kober for their sponsorship of some drench, to the top price ram buyer.

KOBER

FREIGHT AND TRAVEL

We are willing to hold animals for a reasonable period of time at the buyers risk to allow or coordination of transport. We can provide recommendations of suitable stud stock carriers and will assist wherever we can for a safe and efficient transport of animals to your home property.

DELIVERY

Nutrien Ag Solutions agents will be handling the delivery of rams after the sale. **NO stock will be loaded until after the sale is complete.**

FERTILITY GUARANTEE

All rams are sold with a guarantee of being fertile. Any claim against the breeding ability of an animal purchased should be made within six months of the date of sale. The guarantee covers the purchase value of the ram. The guarantee does not cover infertility due to injury or disease contracted since the sale of the ram. Insurance covers this. A veterinary certificate would be required in the case of infertility. The ram shall be returned in the event of an animal failing to be fertile and either be replaced with an animal of comparable value or a credit to the full purchase price will be given at the following sale or on a private sale animal (if available).

INSURANCE

Animals will become the responsibility of the purchasers at the conclusion of the sale. We strongly recommend insuring your animals after the sale. Insurance can be arranged with Nutrien Ag Solutions as required.
