  - (c) conduct the transaction in accordance with the Electronic Conveyancing National Law.
- 18.4 The vendor must open the electronic workspace ("workspace") as soon as reasonably practicable and nominate a date and time for settlement. The workspace is an electronic address for the service of notices and for written communications for the purposes of any electronic transactions legislation.
- 18.5 This general condition 18.5 applies if there is more than one electronic lodgment network operator in respect of the transaction. In this general condition 18.5 "the transaction" means this sale and purchase and any associated transaction involving any of the same subscribers.

- (a) there has been an exchange of funds or value between the exchange settlement account or accounts in the Reserve Bank of Australia of the relevant financial institutions or their financial settlement agents in accordance with the instructions of the parties; or
  - (b) if there is no exchange of funds or value, the documents necessary to enable the purchaser to become registered proprietor of the land have been accepted for electronic lodgment
- 18.7 The parties must do everything reasonably necessary to effect settlement:
- (a) electronically on the next business day; or
  - (b) at the option of either party, otherwise than electronically as soon as possible –
- if, after the locking of the workspace at the nominated settlement time, settlement in accordance with special condition 18.6 has not occurred by 4.00 pm, or 6.00 pm if the nominated time for settlement is after 4.00 pm.
- 18.8 Each party must do everything reasonably necessary to assist the other party to trace and identify the recipient of any missing or mistaken payment and to recover the missing or mistaken payment.
- 18.9 The vendor must before settlement:
- (a) deliver any keys, security devices and codes ("keys") to the estate agent named in the contract,
  - (b) direct the estate agent to give the keys to the purchaser or the purchaser's nominee on notification of settlement by the vendor, the vendors subscriber or the electronic lodgment network operator,

- (c) deliver all other physical documents and items (other than the goods sold by the contract) to which the purchaser is entitled at settlement, and any keys if not delivered to the estate agent, to the vendor's subscriber or, if there is no vendor's subscriber, confirm in writing to the purchaser that the vendor holds those documents, items and keys at the vendor's address set out in the contract, and

  - (c) the particulars of sale specify that the supply made under this contract is of land on which a 'farming business' is carried on and the supply (or part of it) does not satisfy the requirements of section 38-480 of the GST Act; or

- 19.3 The purchaser is not obliged to pay any GST under this contract until a tax invoice has been given to the purchaser.
- 19.4 If the particulars of sale specify that the supply made under this contract is of land on which a 'farming business' is carried on:
- (a) the vendor warrants that the property is land on which a farming business has been carried on for the period of 5 years preceding the date of supply; and

- (a) 'GST Act' means *A New Tax System (Goods and Services Tax) Act 1999 (Cth)*; and
  - (b) 'GST' includes penalties and interest.

- (a) immediately applied for the loan; and
  - (b) did everything reasonably required to obtain approval of the loan; and
  - (c) serves written notice ending the contract, together with written evidence of rejection or non-approval of the loan, on the vendor within 2 clear business days after the approval date or any later date allowed by the vendor; and

- (b) the amount described in a written notice given by the vendor to the purchaser under section 14-255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) is the correct amount required to be paid under section 14-250 of the legislation.
- 25.12 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of non-payment or late payment of the amount, except to the extent that:

## 30. TERMS CONTRACT

30.1 If this is a 'terms contract' as defined in the *Sale of Land Act 1962*:

- (a) any mortgage affecting the land sold must be discharged as to that land before the purchaser becomes entitled to possession or to the receipt of rents and profits unless the vendor satisfies section 29M of the *Sale of Land Act 1962*; and
- (b) the deposit and all other money payable under the contract (other than any money payable in excess of the amount required to so discharge the mortgage) must be paid to a legal practitioner or conveyancer or a licensed estate agent to be applied in or towards discharging the mortgage.

30.2 While any money remains owing each of the following applies:

- (a) the purchaser must maintain full damage and destruction insurance of the property and public risk insurance noting all parties having an insurable interest with an insurer approved in writing by the vendor;
- (b) the purchaser must deliver copies of the signed insurance application forms, the policies and the insurance receipts to the vendor not less than 10 days before taking possession of the property or becoming entitled to receipt of the rents and profits;
- (c) the purchaser must deliver copies of any amendments to the policies and the insurance receipts on each amendment or renewal as evidence of the status of the policies from time to time;
- (d) the vendor may pay any renewal premiums or take out the insurance if the purchaser fails to meet these obligations;
- (e) insurance costs paid by the vendor under paragraph (d) must be refunded by the purchaser on demand without affecting the vendor's other rights under this contract;
- (f) the purchaser must maintain and operate the property in good repair (fair wear and tear excepted) and keep the property safe, lawful, structurally sound, weatherproof and free from contaminations and dangerous substances;
- (g) the property must not be altered in any way without the written consent of the vendor which must not be unreasonably refused or delayed;
- (h) the purchaser must observe all obligations that affect owners or occupiers of land;
- (i) the vendor and/or other person authorised by the vendor may enter the property at any reasonable time to inspect it on giving 7 days written notice, but not more than twice in a year.

## 31. LOSS OR DAMAGE BEFORE SETTLEMENT

- 31.1 The vendor carries the risk of loss or damage to the property until settlement.
- 31.2 The vendor must deliver the property to the purchaser at settlement in the same condition it was in on the day of sale, except for fair wear and tear.
- 31.3 The purchaser must not delay settlement because one or more of the goods is not in the condition required by general condition 31.2, but may claim compensation from the vendor after settlement.
- 31.4 The purchaser may nominate an amount not exceeding \$5,000 to be held by a stakeholder to be appointed by the parties if the property is not in the condition required by general condition 31.2 at settlement.
- 31.5 The nominated amount may be deducted from the amount due to the vendor at settlement and paid to the stakeholder, but only if the purchaser also pays an amount equal to the nominated amount to the stakeholder.
- 31.6 The stakeholder must pay the amounts referred to in general condition 31.5 in accordance with the determination of the dispute, including any order for payment of the costs of the resolution of the dispute.

## 32. BREACH

A party who breaches this contract must pay to the other party on demand:

- (a) compensation for any reasonably foreseeable loss to the other party resulting from the breach; and
- (b) any interest due under this contract as a result of the breach.

## Default

### 33. INTEREST

Interest at a rate of 2% per annum plus the rate for the time being fixed by section 2 of the *Penalty Interest Rates Act* 1983 is payable at settlement on any money owing under the contract during the period of default, without affecting any other rights of the offended party.

### 34. DEFAULT NOTICE

34.1 A party is not entitled to exercise any rights arising from the other party's default, other than the right to receive interest and the right to sue for money owing, until the other party is given and fails to comply with a written default notice.

34.2 The default notice must:

- (a) specify the particulars of the default; and
- (b) state that it is the offended party's intention to exercise the rights arising from the default unless, within 14 days of the notice being given-
  - (i) the default is remedied; and
  - (ii) the reasonable costs incurred as a result of the default and any interest payable are paid.

### 35. DEFAULT NOT REMEDIED

35.1 All unpaid money under the contract becomes immediately payable to the vendor if the default has been made by the purchaser and is not remedied and the costs and interest are not paid.

35.2 The contract immediately ends if:

- (a) the default notice also states that unless the default is remedied and the reasonable costs and interest are paid, the contract will be ended in accordance with this general condition; and
- (b) the default is not remedied and the reasonable costs and interest are not paid by the end of the period of the default notice.

35.3 If the contract ends by a default notice given by the purchaser:

- (a) the purchaser must be repaid any money paid under the contract and be paid any interest and reasonable costs payable under the contract; and
- (b) all those amounts are a charge on the land until payment; and
- (c) the purchaser may also recover any loss otherwise recoverable.

35.4 If the contract ends by a default notice given by the vendor:

- (a) the deposit up to 10% of the price is forfeited to the vendor as the vendor's absolute property, whether the deposit has been paid or not; and
- (b) the vendor is entitled to possession of the property; and
- (c) in addition to any other remedy, the vendor may within one year of the contract ending either:
  - (i) retain the property and sue for damages for breach of contract; or
  - (ii) resell the property in any manner and recover any deficiency in the price on the resale and any resulting expenses by way of liquidated damages; and
- (d) the vendor may retain any part of the price paid until the vendor's damages have been determined and may apply that money towards those damages; and
- (e) any determination of the vendor's damages must take into account the amount forfeited to the vendor.

35.5 The ending of the contract does not affect the rights of the offended party as a consequence of the default.

# Notes to Certificates Under Section 105 of the *Land Tax Act 2005*

Certificate No: 39644215

1. Under Section 96 of the *Land Tax Act 2005* (the Act), unpaid land tax (including special land tax and vacant residential land tax) is a first charge on the land to which it relates and should the vendor default, payment will be obtained from the purchaser. The purchaser should take into account the possibility that the vendor may default where land tax has been assessed but not paid.
2. A purchaser who has obtained a Certificate is only liable to a charge on the land to the amount of unpaid land tax as certified by a Certificate. A purchaser must obtain the Certificate from the Commissioner. They cannot rely on the Certificate obtained by the vendor.
3. If land tax (including special land tax and vacant residential land tax) is due but not paid on a property, the Land Tax Clearance Certificate will certify the amount of land tax due and payable on that land. This amount will be binding on the Commissioner of State Revenue (the Commissioner) for purposes of section 96 of the Act whether or not it is paid to the State Revenue Office (SRO) on, or shortly after, settlement.
4. The amount of land tax on this certificate relates to the amount of land tax (including special land tax and vacant residential land tax) due and payable as at the date of the application only and not to any future liability or the tax status of the land.
5. A 'Nil' Land Tax Clearance certificate does not mean that the land on the certificate is exempt from land tax or vacant residential land tax.
6. If land tax (including special land tax or vacant residential land tax) will be payable on a property but payment is not due at the time the application is processed, the certificate will certify the amount that should be retained by the purchaser at settlement and remitted to the SRO. The Commissioner will consider himself bound by this amount against the purchaser, only if the amount is remitted to the SRO.
7. If the amount in 4. (above) is understated, the Commissioner has the right to seek recovery of the correct amount, or the balance, as the case may be, from the:
  - a. vendor, or
  - b. purchaser, if the vendor defaults and the certified amount has not been remitted to the SRO.
8. If an amount is certified in respect of a proposed sale which is not completed, the Commissioner will not be bound by the same amount in respect of a later sale of the subject land - another certificate must be applied for in respect of that transaction.
9. If an amount certified is excessively high (for example, because an exemption or concession has not been deducted in calculating the amount) the Commissioner will issue an amended certificate, without an additional fee being charged on receipt of sufficient evidence to that effect from the vendor.
10. If no land tax (including special land tax or vacant residential land tax) is stated as being payable in respect of the property, the Commissioner will consider himself bound by that certification, in respect of the purchaser, if the land is subsequently found to be taxable and the vendor defaults.
11. If the vendor refuses to be bound by an amount stated by the Commissioner and does not agree to the amount being withheld and remitted at settlement, the purchaser cannot rely on such refusal as a defence to an action by the Commissioner to recover the outstanding amount from the purchaser under Sections 96 or 98 of the Act.
12. The information on a certificate cannot preclude the Commissioner from taking action against a vendor to recover outstanding land tax (including special land tax and vacant residential land tax).
13. You can request a free update of a Land Tax Clearance Certificate via our website if:
  - there is no change to the parties involved in the transaction, and
  - the request is within 90 days of the original certificate being issued.

# Due diligence checklist

## What you need to know before buying a residential property

Before you buy a home, you should be aware of a range of issues that may affect that property and impose restrictions or obligations on you, if you buy it. This checklist aims to help you identify whether any of these issues will affect you. The questions are a starting point only and you may need to seek professional advice to answer some of them. You can find links to organisations and web pages that can help you learn more, by visiting the [Due diligence checklist page on the Consumer Affairs Victoria website](http://consumer.vic.gov.au/duediligencechecklist) (consumer.vic.gov.au/duediligencechecklist).

## Urban living

### Moving to the inner city?

High density areas are attractive for their entertainment and service areas, but these activities create increased traffic as well as noise and odours from businesses and people. Familiarising yourself with the character of the area will give you a balanced understanding of what to expect.

### Is the property subject to an owners corporation?

If the property is part of a subdivision with common property such as driveways or grounds, it may be subject to an owners corporation. You may be required to pay fees and follow rules that restrict what you can do on your property, such as a ban on pet ownership.

## Growth areas

### Are you moving to a growth area?

You should investigate whether you will be required to pay a growth areas infrastructure contribution.

## Flood and fire risk

### Does this property experience flooding or bushfire?

Properties are sometimes subject to the risk of fire and flooding due to their location. You should properly investigate these risks and consider their implications for land management, buildings and insurance premiums.

## Rural properties

### Moving to the country?

If you are looking at property in a rural zone, consider:

- Is the surrounding land use compatible with your lifestyle expectations? Farming can create noise or odour that may be at odds with your expectations of a rural lifestyle.
- Are you considering removing native vegetation? There are regulations which affect your ability to remove native vegetation on private property.
- Do you understand your obligations to manage weeds and pest animals?

### Can you build new dwellings?

Does the property adjoin crown land, have a water frontage, contain a disused government road, or are there any crown licences associated with the land?

### Is there any earth resource activity such as mining in the area?

You may wish to find out more about exploration, mining and quarrying activity on or near the property and consider the issue of petroleum, geothermal and greenhouse gas sequestration permits, leases and licences, extractive industry authorisations and mineral licences.

## Soil and groundwater contamination

### Has previous land use affected the soil or groundwater?

You should consider whether past activities, including the use of adjacent land, may have caused contamination at the site and whether this may prevent you from doing certain things to or on the land in the future.

(04/10/2016)

## Land boundaries

### Do you know the exact boundary of the property?

You should compare the measurements shown on the title document with actual fences and buildings on the property, to make sure the boundaries match. If you have concerns about this, you can speak to your lawyer or conveyancer, or commission a site survey to establish property boundaries.

## Planning controls

### Can you change how the property is used, or the buildings on it?

All land is subject to a planning scheme, run by the local council. How the property is zoned and any overlays that may apply, will determine how the land can be used. This may restrict such things as whether you can build on vacant land or how you can alter or develop the land and its buildings over time.

The local council can give you advice about the planning scheme, as well as details of any other restrictions that may apply, such as design guidelines or bushfire safety design. There may also be restrictions – known as encumbrances – on the property's title, which prevent you from developing the property. You can find out about encumbrances by looking at the section 32 statement.

### Are there any proposed or granted planning permits?

The local council can advise you if there are any proposed or issued planning permits for any properties close by. Significant developments in your area may change the local 'character' (predominant style of the area) and may increase noise or traffic near the property.

## Safety

### Is the building safe to live in?

Building laws are in place to ensure building safety. Professional building inspections can help you assess the property for electrical safety, possible illegal building work, adequate pool or spa fencing and the presence of asbestos, termites, or other potential hazards.

## Building permits

### Have any buildings or retaining walls on the property been altered, or do you plan to alter them?

There are laws and regulations about how buildings and retaining walls are constructed, which you may wish to investigate to ensure any completed or proposed building work is approved. The local council may be able to give you information about any building permits issued for recent building works done to the property, and what you must do to plan new work. You can also commission a private building surveyor's assessment.

### Are any recent building or renovation works covered by insurance?

Ask the vendor if there is any owner-builder insurance or builder's warranty to cover defects in the work done to the property.

## Utilities and essential services

### Does the property have working connections for water, sewerage, electricity, gas, telephone and internet?

Unconnected services may not be available, or may incur a fee to connect. You may also need to choose from a range of suppliers for these services. This may be particularly important in rural areas where some services are not available.

## Buyers' rights

### Do you know your rights when buying a property?

The contract of sale and section 32 statement contain important information about the property, so you should request to see these and read them thoroughly. Many people engage a lawyer or conveyancer to help them understand the contracts and ensure the sale goes through correctly. If you intend to hire a professional, you should consider speaking to them before you commit to the sale. There are also important rules about the way private sales and auctions are conducted. These may include a cooling-off period and specific rights associated with 'off the plan' sales. The important thing to remember is that, as the buyer, you have rights.
