DUNOON ANGUS: The Journey Thus Far

Welcome to our 2020 Female Sale!

Our family began breeding registered cattle in 1960, with a Hereford stud. In the Spring of 1994, we purchased our first Angus cows from Te Mania. The cows that formed "Dunoon Angus" were Te Mania Dandloo H5 (who we paid \$30,000 for), Te Mania Lubra J112, Te Mania Barwon H822 and Te Mania Barwon J36.

Te Mania Dandloo H5

The following year in 1995 we went back to Te Mania and selected Te Mania Japara L91, Te Mania Beeac L145 and Te Mania Lowan L184.

In the next few years we selected cows from Victoree – Princess L7; Landfall – Eline L55, Archer K59, Elsa M83; Glenoch – Flower L38 and Flower H26; and The Grange – Blackbird C78 and Blackbird C79.

Te Mania Japara L91

In 2010, at the Tuwharetoa dispersal, we picked up a few more high performing cows.

In 1997 we held our first Dunoon Angus Bull Sale – with the buyer of Lot 1 – Dunoon Quantum Q006 still being one of our strongest clients today. Since 1997 we have sold a lot of bulls, to many wonderful herds, both big and small, who have all used Dunoon bulls in their quest for improvement, not only to their cattle herd, but their bottom line as well.

"Doing what you like is freedom. Liking what you do is happiness."

In the last 26 years we've held 39 bull sales, formed lifelong friendships and business relationships with many wonderful people!

Some of the Dunoon bulls that have been used throughout the Angus breed include:- Reagan R093, Midland A017, Decimal D342, Evident E614, Everything E499, Fourmile F464, Goodthing G167 and now Prime Minister P758.

Te Mania Beac L145

As you will see throughout this catalogue, we use a lot of our own yearling bulls to back up our extensive AI programs. It is really pleasing to see the progeny of the young bulls we use, come through the system, and develop in to impressive sale bulls, or young heifers with lovely calves at foot.

Over the years we have also invested heavily in sires, having bought the top priced bulls at on property sales including Te Mania (Caringbah C192 \$19,000), Lawsons (Combat G585 \$37,000), Merridale (Gaffa G4 \$15,000), Booragul (Leroy \$60,000), the Tuwharetoa dispersal, where we bought "Regent D145" in partnership with Te Mania for \$50,000, and recently Merlewood (Ponting P8 \$10,500).

Landfall Eline L55

Whilst we constantly strive to improve our cattle through genetic selection, we are very proud of the heifers that we are offering in this sale. It is rare to find a line of young heifers for sale with such evenness, quite temperament and impressive performance data, over the 278 registered heifers catalogued.

ALL heifers in this sale have been sire verified (SV) and tested for genomics (DNA), so you can bid with confidence.

In the past we have done well with genetics from others.

Now we'd like to see others do well with the genetics that leave Dunoon.

The Harbison's

"Happiness is where we find it, but very rarely where we seek it."

WE WILL HAVE VIDEO FOOTAGE OF EVERY HEIFER IN THIS SALE.

You'll find the video's on the "AuctionsPlus" website, linked to our catalogue, from approximately the 3rd of November.

Please contact Jock and he can email the
"Play List" of heifers to you.

"If you start to think the problem is 'out there,' stop yourself. That thought is the problem."

INSPECTION AFTERNOON

Tuesday 17th November - 2:00pm till 6:00pm.

All heifers will be yarded on sale morning, 18th November by 8.30am.

If you would like to inspect the heifers at any other time, please contact Jock on 0429 369 299 to arrange a day and time.

Health

Dunoon is a JBAS 6 herd.
All heifers in this sale have been vaccinated twice with 7 in 1 as weaners, and are due for their next 7 in 1 early in 2021.

Transport

Dunoon Angus are willing to co-ordinate the transport of all heifers - in the most cost effective way to the buyer.

You are more than welcome to organise your own carrier. However, all purchased heifers need to be picked up by Friday 27th of November 2020.

NOTICE TO ALL AGENTS & BUYERS

SALE REBATES

1. A rebate of 2% will be paid to all outside agents who attend this sale with or on behalf of their client(s) **and settle within 7 days.**
2. If you are not using an agent, an invoice will be sent to you, and you can pay after receiving this invoice.

PLEASE NOTE: ONLY ONE OF THE ABOVE TWO CLAUSES CAN BE USED ON ANY ONE LOT.

SALE DAY SAFETY

All the sale heifers have been screened for temperament and are quiet to handle under normal circumstances. However, there are inherent risks associated with cattle handling.

People entering the yards are at risk of injury. We do not expect the heifers to be aggressive with humans, but sale day places extraordinary pressure on them as they experience an entirely foreign environment. Remember the quietest heifer is in fact an unpredictable animal.

Do not crowd the heifers or loiter inside the pens.

Don't enter the pens unnecessarily.

**Visitors Enter the cattle pens
at their own risk.
Children must not
enter the yards.**

CHILDREN UNDER 16 YEARS OF AGE ARE NOT PERMITTED IN PENS.

BUYER'S CHOICE

LOTS 1 - 128

Each lot from Lot 1 to Lot 128 has an "A" and "B" Lot.

The highest bidder on any lot has to choose which heifer they would like, with Dunoon Angus retaining the other Heifer.

ALL "A" lots have a YELLOW Tag
ALL "B" lots have a BLUE Tag

If you are at the sale, you must nominate your purchase(s) in writing to the Sale Day Office BEFORE leaving Dunoon.

If you have purchased via online or via phone, you have until 3pm, Thursday November 19th to nominate your purchase(s).

Lots 129 - 150 are to be offered individually, for outright sale.

PLEASE NOTE:

The following lots are APR, there are some terrific heifers in these, BUT please be aware of their registration status. They are 4A, 7A, 16B, 25B, 37B, 38B, 45B, 46A, 51B, 55A, 56A, 58A, 59A, 63B, 70A, 72A, 73A, 77A, 86A, 86B, 88A, 92B, 95A, 97B, 107A, 110A, 113B, 118A, 123A.

All of the "Q" heifers have been checked by Dr Andrew Todd, of Holbrook Cattle Vets, and are guaranteed to have a sound reproductive tract.

NOTES:

This pair is the first of the ‘Drive’ daughters on offer. – AI’d to Paratrooper P15, will surely result in some impressive calves! Drive is siring cattle with length, frame and plenty of carcass.

NOTES:

Two Dandloo heifers here, that go all the way back to that wonderful old Te Mania Danloo H5 cow. Both by our yearling bulls, one of them was AI'd to Paratrooper P15 and the other was AI'd to Te Mania P446. Strong cow families always pull their weight and get the job done with ease!

NOTES:

Here are two heifers that were both AI'd to the \$22,000 Te Mania P446. A mating that will continue the strong performance of this genetic mix. Both sired by our back-up yearlings, these heifers will develop in to very consistent young cows.

NOTES:

When it comes to cow families, the 'Dandloo's' and 'Lowan's' are two really solid, consistent breeding lines, which when it comes to young heifers being productive, these two should do it with ease! One has been AI'd to Te Mania P446 and the other was done to Moe M6!

NOTES:

Look at these two! As deep, stylish and appealing as you could want heifers. They are both by Leading Edge, with that little bit extra. – Two of the heaviest yearling heifers in the sale, who were both AI'd to Command, which is exciting! If you are looking for a heifer with lots of grunt – don't miss one of these!

NOTES:
Now here is a tough choice! Two outstanding M518 heifers who were both AI'd to the \$160,000 Paratrooper P15. They are backed by two of our best cow families and both heifer's first calves. The M518 progeny are very good and these two are in the top end of his daughters. Remember, try and pick the best one!!??

NOTES:

We started "Buyers Choice" with two M518 heifers and we are ending the "Buyers Choice" lots with a pair of M518 daughters! These are two lovely heifers, both were AI'd to the \$160,000 Millah Murrah Paratrooper P15. Both of these heifers are very appealing on paper and in the flesh!
