Peter & Julie Button and their family welcome everyone to their 1st Stage White Suffolk Dispersal & Suffolk/Black Composite Ewe Reduction Sale.

After a lot of thought & deliberation, we have made the big decision to disperse our entire White Suffolk flock & reduce our Suffolk numbers as we move to the next exciting phase of our livesmore time to spend with family and travel !!!!

Rest assured we will still remain involved in the Sheep Industry and will continue with a few Suffolks & Black Composites and in a full circle, we have re-registered a small Hampshire Downs flock to play around with.

We are excited to present to you the nucleus of our breeding flock, bred after 23 years of careful selection for relevant industry traits and structural correctness, while keeping breed type in mind. At Ramsay Park we don't aim to have the highest ASBV figures on Lambplan but an optimum balance genetically to suit our Stud & Commercial clients needs.

We have been involved in showing over many years and see this as an important tool to promote our stud and compare our sheep for type and structure against the best in Australia. AI & ET programs, combined with the purchase of some specially selected stud sires have helped the rapid increase in quality of Ramsay Park stock.

Apart from a few hogget ewes who didn't lamb first time & would have normally been given another chance within the stud, all ewes in the catalogue lambed down this year.

We are also offering a selection of Suffolk & Black Composite Ewes in a stud reduction. In the Composite pens, we have selected ewes with more Suffolk type & the progeny of many of the high Suffolk percentage ewes would be registerable Suffolks by inspection.

We are confident the ewes on offer will fit well into your current stud breeding programs or form a solid base for anyone establishing a new stud.

At Ramsay Park we have had many enjoyable years being involved with the White Suffolk breed and the people involved within the breed & we see this continuing into the future.

RAMSAYPARK

WHITE SUFFOLK | SUFFOLK | BLACK COMPOSITE

We would like to thank all fellow breeders for your participation and support for our 1st Stage Dispersal Sale. We wish everyone all the best for the future with your purchases and we hope they bring you as much satisfaction as they have for us over the years. Many lifetime friendships have been made over many years and we look forward to continuing these in the future. The sheep may depart but the friendships will remain. Look outWe may even call in with our caravan for a visit!!!

To everyone that has helped us in any way with the organising and running of the sale, help with catering or given advice when needed, Julie & I cannot thank you all enough. It has been a huge task to get to Sale Day and we really appreciate everyone's help in making it an easier task.

We look forward to catching up with you all again for our 2nd Stage Dispersal next year.

Peter & Julie Button & family
