DELIVERY OF STUD LOTS

Local delivery of stud lots will be organised by Monterey. All other stud lots sold at auction will be delivered free of charge to nominated regional centres (Albany, Mt. Barker, Kojonup, Esperance, Manjimup, Boyanup, Brunswick, Waroona, Midland, Geraldton)

Generous assistance is available to interstate purchasers - *Contact us for more details.*

Gary 0419 958 579 Julie 0408 958 531

GENERAL INFORMATION

PRE-SALE INSPECTIONS:

The sale cattle will be available for public inspection at the Monterey, Brockman Highway, Karridale the day before the sale, and from 10.00am on sale day, or at an earlier date on property at Monterey. Enquiries and inspections welcomed.

PREGNANCY TESTS:

Prior to sale day the females, where applicable, will be pregnancy tested. The veterinarian's written statement declaring the results will be publicly displayed on sale day.

BULLS: WEIGHT AND HEIGHT: E.M.A. AND FAT SCANS

Bulls have been measured as detailed by Max Bowman Livestock Services. **Bulls have grown considerably since scanning and will be re-weighed prior to sale with current weights displayed on sale pens.**

BULLS: PHYSICAL EXAMINATION: SCROTAL CIRCUMFERENCE: SEMEN TESTING

All MONTEREY sale bulls have been thoroughly examined for breeding and structural soundness and have had their testicles measured and details are listed in the catalogue. Please note, bulls 18 months or older should have a scrotal circumference of no less than 32cm, however bulls in this sale average 40+cm. **All bulls have undergone a semen evaluation. Tests conducted by FarmWest.**

SOCIETY TRANSFERS:

Transfers of stud cattle will be available at the vendors' expense. Kindly fill in the correct trading title on the instruction slip at the rear of this catalogue. All cattle are guaranteed eligible for transfer unless otherwise stated.

HEALTH TESTS:

MONTEREY HAS A HERD HEALTH SCORE OF JBAS 8, WITH CATTLE ELIGIBLE TO GO TO ANY HERD IN ANY STATE.

All stud cattle offered for sale are guaranteed free of brucellosis, TB, mannosidosis and Johnes disease. Sales to interstate buyers are conditional on the cattle passing the necessary health tests for entry into the purchaser's state.

As added protection for clients all Monterey bulls are vaccinated according to the Zoetis STAR programme.

SELLING AGENTS:

The sale will be conducted by Elders and Landmark as agents in conjunction. A rebate of 3% will be paid to any outside agents introducing buyers **in writing 24 hours prior to the sale** and settling within 7 days. The rebate will apply on all stud lots, both male and female.

VENDOR WARRANTY:

All the cattle being offered have been produced and reared under entirely natural conditions. They have not been given any growth promotants nor have they been artificially reared. All bulls and females are guaranteed fertile. To this end, all bulls have been semen tested very recently and all females pregnancy tested just prior to sale. **Monterey Murray Grey and Angus bulls carry a 2 year warranty for structural or genetic problems.** Where disease or injury causes infertility or inability to serve, **or in multiple mating situations**, this guarantee does not apply. Any claims to be accompanied by a veterinary certificate. **This warranty is not an insurance policy**, and we strongly recommend you insure your purchases

DISCLAIMER:

The information contained in this catalogue is believed to be correct. All care has been taken in its preparation. However no responsibility is taken for any inadvertent errors or omissions.

Notes: Purchased at 12mths for \$17,000 at the 2014 Millah Murrah sale. He is a maternal brother to Annot Halfmarkt. Described by Ross Thompson as "a wrangling calf from a super performing young cow." Has matured into a massive volume sire with a magnificent coat type and style to burn. Ultra quiet natured bull. A son topped our 2018 sale at \$15500, and another son sold at Millah Murrah for \$30,000. Has an excellent set of sons in sale.

Notes: The Vermont Blackbird female line was an outstanding family and we purchased Duke E193 at the Vermont dispersal. His dam sold for \$21,000 and was rated very highly in the Vermont herd - her maternal sister made \$22,000. Duke E193 was also used as a yearling with terrific results, and at 600 days weighed 852kg, scanned 123cm² EMA and had an IMF scan of 5.2%. His daughters are magnificent and epitomise everything we are striving for in our Angus females.

NOTES: Possibly the most imposing bull in our sire battery. Has plenty of frame, with terrific length, strong well muscled spine and a real sire's outlook. His dam was highly productive, living to 18 yrs of age.. Excellent EBV's across the board - low birth weight, multi-traitleader for growth and top 5-10% for all \$Indexes.

NOTES: Proving to be a very valuable sire. A son was equal top priced bull in our 2019 sale. Sired by Monterey Dollar Man, who was top of his drop. Attractive light grey/dark silver colour. Dam left two excellent sons before being lost to snakebite. Very nice natured bull, which shows in his progeny. Mating sire to sale females as well.

 MONTEREY MISS ANNABELLE H282 (PB)
 MONTEREY MISS ANNABELLE F300 (PB)

NOTES: Well grown son of Limelight L57 from the same dam as Monterey Matrix M109 (retained as a sire). Another son sold for \$6500. Plenty of growth and substance in this fellow. Grand dam B19 was an elite female in our herd, breeding an outstanding line of daughters. Will improve weight for age, growth and all maternal traits.

DISCLAIMER AND PRIVACY INFORMATION

IMPORTANT NOTICES FOR PURCHASERS

ATTENTION BUYER: *Animal details included in this catalogue, including but not limited to pedigree, DNA information, Estimated Breeding Values (EBVs) and Index values, are based on information provided by the breeder or owner of the animal. Whilst all reasonable care has been taken to ensure that the information provided in this catalogue was correct at the time of publication, Angus Australia will assume no responsibility for the accuracy or completeness of the information, nor for the outcome (including consequential loss) of any action taken based on this information.*

Parent Verification Suffixes

The animals listed within this catalogue including its pedigree, are displaying a Parent Verification Suffix which indicates the DNA parent verification status that has been conducted on the animal. The Parent Verification Suffixes that will appear at the end of each animal's name are as follows:

PV: both parents have been verified by DNA

SV: the sire has been verified by DNA

DV: the dam has been verified by DNA

#: DNA verification has not yet been conducted

E: DNA verification has identified that the sire and/or dam may possibly be incorrect, but this cannot be confirmed conclusively.

Privacy Information

In order for Angus Australia to process the transfer of a registered animal in this catalogue, the vendor will need to provide certain information to Angus Australia and the buyer consents to the collection and disclosure of that information by Angus Australia in certain circumstances. If the buyer does not wish for his or her information to be stored and disclosed by Angus Australia, the buyer must complete the form included below and forward it to Angus Australia. If the form is not completed, the buyer will be taken to have consented to the disclosure of such information.

BUYERS OPTION TO OPT OUT OF DISCLOSING PERSONAL INFORMATION TO ANGUS AUSTRALIA

If you do not complete this form, you will be taken to have consented to Angus Australia using your name, address and phone number for the purposes of effecting a change of registration of the animal(s) that you have purchased, maintaining its database and disclosing that information to its members on its website.

*I, the buyer of animals with the following idents.....
.....
from member.....(name) do not consent to Angus Australia using my name, address and phone number for the purposes of effecting a change of registration of the animals I have mentioned above that I have purchased, maintaining its database and disclosing that information to its members on its website.*

Name: Signature:

Date:

Please forward this completed consent form to Angus Australia, 86 Glen Innes Road, Armidale NSW 2350.

If you have any questions or queries regarding any of the above, please contact Angus Australia on (02) 6773 4600 or email office@angusaustralia.com.au
