Notes: Arki Paul P27 is a powerful bull with great carcass shape and a strong top line. Originally reserved for the National Show & Sale as that has been cancelled he makes a great replacement bull. Top 10% for 200, 400 day Wt, EMA and Retail beef yield top 15% for carcass Wt and milk. A bull well worth more than one inspection PI tested negative Vaccinated with 7in1 and vibrovax													\$ Index Values
