Please Note: Lot 3, P48 has been injured fighting, he has been separated from the mob and is improving daily. At this stage he is in the sale and will be given up to 6 to 8 weeks after the sale to fully recover. He will be fully vet checked before delivery with no payment until delivery.

Please Note: Lots 3 & 14 have been nominated for the Semex Young Charolais sires program, if they are purchased by studs, the studs can decide whether they would like to proceed, if the bulls sell commercially, we reserve the right to collect at our cost these two bulls for the program. Please see Graeme Cook if you would like to discuss this further.

Bulls lots 2, 3 & 14 have had semen collected for in herd use only.

All bulls have received an Ivomec Plus drench & 7 in 1 booster 16-03-2020
