Comments: Second in his class at Sydney Show 2019 and Supreme Exhibit at Adelaide Show 2019. Straight out of the paddock after running with a mob of stud heifers for the last 3 months, Nathaniel is a long bodied, poll scurred bull with excellent muscling, a very tidy sheath with dark smooth coat. Classified S we are confident that Nathaniel will be great in both stud and commercial programs.

Comment: Parker was our lead bull for the Sydney Show this year and we are disappointed we didn't get to show him off. He is a bull with a very traditional poll head, tidy sheath, good bone and a dark red smooth coat. We are impressed with his good structure and excellent muscle. Classified S we believe Parker will fit right in to both stud and commercial programs.
