Safety Warning

The Occupational Health & Safety Act and any subsequent Occupational Health Safety Regulations impose obligations in respect of safety for the workers arising out of the DESIGN MANUFACTURE AND SUPPLY of the Plant and Equipment for use in a workplace. The Auctioneers and the Vendors warn buyers THAT NO PLANT OR EQUIPMENT OFFERED FOR SALE IS FIT FOR USE IN ANY WORKPLACE and it is the BUYERS OR USERS RESPONSIBILITY to ensure that the Plant and Equipment is brought to a standard necessary to comply with the Occupational Health & Safety Act, and to carry out testing and examination to ensure it is safe and fit to use in the workplace.

Where available manufacturer's manuals will be provided with the Plant and Equipment sold, but the buyer or user must ensure that the correct manuals are sourced from the manufacturer or elsewhere.

Buyers are warned that breaches of the Occupational Health Safety Act and any subsequent Occupational Health Safety Regulations carry very large penalties.

In the interest of health and safety for workers, safety inspections of all Plant and Equipment purchased at auction must be performed by the purchaser or user.

Where the Plant and Equipment is to be used in areas not covered by the Occupational Health Safety Act the buyers should regard Plant and Equipment as unfit for use.

I have read and understood the above information and have received a copy that I will forward to the end user of any equipment that I purchase.
