Foreword

Welcome to our 12th Annual Winter Sale.

At the time of writing this foreword the world is facing a challenging pandemic but fortunately government, through early intervention, has averted the mayhem we have seen overseas.

One positive has been the consumer's return to buying quality food, and demand for fresh farm produce has soared. In addition, large tracts of Eastern Australia have emerged from drought with significant widespread rain creating skyrocketing demand for beef cattle. Low herd numbers nationally and ongoing demand auger well for the WA beef industry.

For the first time in many years, it appears that we have had a much needed, earlier start to the season. That makes producing grass fed beef so much easier and cheaper, provided you have the right product.

Our breeding programme concentrates on weight for age, EMA and yield – actual data that processors pay for.

Both the Angus and Murray Grey catalogues feature many new sires and a good balance of proven sires.

A feature of this year's sale draft is their doing ability – and it's no accident, with 35+ years of sires selected for grass fed production. Their progeny flourish on grass, providing outstanding weight for age, with terrific butt profiles, softness and heavy yielding carcasses with optimum fat coverage.

We are frequently delighted to see clients topping fat, store and breeder sales all over Australia. Breeders using Monterey genetics during 2019 won Junior and Grand Champion bull at Brisbane Royal, Junior and Grand Champion female at Sydney Royal, Junior Champion female at Melbourne Royal and Reserve Senior Champion bull at Brisbane Royal.

With social distancing regulations being eased, we will ensure our sale at Brunswick complies with current regulations and every provision will be made to ensure the safety of those attending.

The sale will also be interfaced on Auctions Plus.

Please note- Due to interstate border closures we have been unable to scan the younger bulls in the catalogue Any scan data included was taken in early December 2019.

We look forward to assisting you with your purchases.

Kind regards

Gary and Julie
