

# 2020 Annual Helmsman Bull Offering

Tuesday 19th May, “Killimicat Station”,  
TUMUT

Inspections from **10 am** & Helmsman Sale **11 am**

**Reiland Angus** offers the following to valued clients:

- All bulls have been vet checked and palpated for reproductive soundness.
- Deferred payment options available.
- Usual **10%** price reduction for volume (3 or more) bull buyers will apply.
- Free delivery to your property.
- Usual fertility and soundness guarantee for first breeding season. Feet 3 years.
- 48 hour ‘breakdown replacement’ offer on all bulls purchased, to complete joining.
- Vaccinated with 5-in-1 & Vibriosis, Drenched.
- Pestivirus tested free.

To follow all Government protocol in relation to Covid-19 the bull sale can proceed with the following restrictions:

- 1) Only essential attendees i.e. minimal (1-2) persons per business are requested to attend. This limits the number of persons in this single gathering.
- 2) Upon entry you are required to sign a COVID 19 declaration as per required regulations. There will also be hand sanitizer available as well as PPE. Additional hand washing facilities will be available.
- 3) The sale will be conducted outdoors.  
The bulls will be sold by Auctioneer, Michael Glasser (GTSM)  
The sale will be interfaced with AuctionsPlus. (pre-registration needs to be completed 24 hours prior to sale)  
Clear vision of the bull lots will be visible through AuctionsPlus and displayed on a TV screen onsite.  
A light prepacked lunch will be available.  
  
All bulls have been videoed and are uploaded onto the Reiland Angus catalogue on AuctionsPlus.
- 4) Bulls will be yarded (not individually penned) on the day.
- 5) Non –essential persons are unable to attend.
- 6) Pre inspections can be organised, please contact us to organise a time.
