# Telfer Tough Products

Telfer Rural has a wide range of quality, Australian Made products for both on and off the farm.

**Specialising in livestock feeding solutions, raised dog kennels, hen pens, mailboxes, ute backs, fencing products, gates and much more.**

We can also custom manufacture any of our products to suit your individual requirements.

# WELCOME TO TYCOLAH

Welcome to our 2020 sale. For the first time in Tycolah's history we will be holding an online as well as on farm auction, mostly due to the possible spread of COVID-19 to regional areas and possible tougher restrictions for purchasers to travel to attend bull sales. Unfortunately the digital era is slow to regional areas such as Cobbadah, with no mobile service in the area, we are eagerly awaiting a satellite to be installed on the sale shed roof and hope to have enough speed for the online auction. We are still learning a lot about how digital technologies can help us into the future and hope that clients will agree to receiving a digital catalogue as well. With the increasing costs of printing and postage, this will help us ensure we get our catalogue to you as soon as it is available. Catalogues will still be available on sale day.

This year's draft of bulls were all born in the toughest drought ever experienced here in the history of Tycolah and it is a credit to our females to rear them in those hard times. The bulls were born in a drought, weaned in a drought and have finally been able to be run on oats, the first crop in three years and are a very even line. We also offer 12 stud females this year and PTIC details will be on the supplementary sheet.

## Sire's represented in the sale

**Allendale Bingara K184** was purchased for \$25,000 at Wodonga Hereford National in 2016. His Sire line goes back to Allendale National & the bottom line goes back to National's Grand Dam. Bingara is breeding very consistently leaving a very even line of easy doing good conformation cattle. His first three progeny shown at Sydney 2019 won Senior and Grand Champion, First in the Pair of Bulls under 24 months and first in the Sires Progeny Group. Bingara has proven to be calving ease sire and is a trait leader for gestation and scrotal size.

**Mountain Valley Lieutenant L1** was purchased in shares with Taronga Stud (Bill Lambert of Paschendale Victoria) at the Mountain Valley sale in 2017. He is breeding very consistently. His progeny have great temperaments and constitution. I think his females will have a positive impact on the stud.

**Wararba Park First Class F230** was purchased for top price of \$16,000 at Wararba Park in 2014. First Class is a high growth rate, top performing bull. A trait leader for growth going back to the great breeding bull Sevenbardot Indiana E313 (on his sire line) who had a big influence earlier on our stud. First Class has put performance, carcass, and consistency into our herd. Bulls by Wararba Park First Class have sold to a top of \$30,000 to Glendon Park Stud for Tycolah Overdrive L84 and we have retained a full brother Tycolah Prizefighter M092 in our stud. Unfortunately, he died but has left us with a legacy of great females.

**Tycolah Oakwood L26** was Senior, Grand Champion exhibit at Sydney Royal 2017. He has left rich coloured, good skinned cattle, above average growth & good conformation. His daughters look very promising.

We have two **Hometown** bulls in this sale, he has left us with some very promising daughters. Hometown has had worldwide impact on the breed particularly with carcass traits.

**Ultimate** was chosen to use for his excellent phenotype. A bull that has not come out of the breedplan system here or in America, hence his low figures of very little accuracy. We have found his actual carcass data is up to any of the imported sires we have used, and his daughters look very sharp.

## Heifer Joining Sires

**Tycolah Goldrush** was Dubbo top priced bull @ \$38,000 in 2009 to Kidman PH Stud. Renowned for the breeding ability of his daughters. A calving ease bull with great colour and pigmentation.

**Tycolah Playboy** sold to JA Culley Jnr in our 2018 sale. Playboy was our top performing paddock reared bull for growth rate, EMA and he was top of all our bulls for actual IMF. Out of our best Inspire cow.

**Tycolah Opal** sold to Bendulla stud in our 2017 sale for \$24,000. His females are good milkers with excellent udders.

**Tycolah Resolve P155** is a lighter birth weight bull with great skin and hair type and rich colour. He has a great milking pedigree on both sides. Out of a great Cannawigra female line.

## CARE OF YOUR BULL ON ARRIVAL

On arrival of your new bull or bulls we suggest you have some of your own cattle in the yards to help them settle in to their new surroundings.

Steers or pregnant cows are probable most suitable.

Even a quiet bull taken away from his mates can stir up on his own in a different environment.
