

KARAWATHA PARK

POLL MERINO STUD
KIMBA, SOUTH AUSTRALIA

It's business as usual for Karawatha Park in 2020 as we prepare for our 18th on property sale, with some minor changes to accommodate Covid safe requirements.

Along with the usual dulcet tones of Gordon Wood running the sale in its live form inside the Karawatha woolshed, the sale will also be streaming on Auctions Plus for those of you who may feel more comfortable with bidding remotely. With this in mind, and given the cancellation of the Wudinna Merino Expo, we are geared up to cater for pre-sale inspections via appointment to help with your selections on sale day. We encourage you to take advantage of this offer, simply get in touch with Bert or Dion and we can easily make suitable arrangements.

120 rams will again be penned, with depth of quality a feature. A notable contributor is Leahcim 173122 aka. Simon. The lot 6 Leahcim 2018 sale topper has produced outstanding progeny and his sons feature prominently throughout the catalogue. Like his sentimental namesake, he is an elite performer and we suggest you check him out on the Merinoselect website. He is strongly supported by Wallaloo Park 17-2003, and Karawatha Park 17-0313 and 17-0413 making this year's sale one not to be missed.

A massive effort to record dual pedigree has enabled us to provide you with more accurate and reliable figures. This coupled with strict selection pressure around our own breeding objectives, ensures that you have consistency and depth throughout the sale and greater confidence in the ASBV's. To this point, 2020 has seen an extensive investment in DNA testing for parentage with the intent of providing us all with more accurate information. We share a common goal with you, to strive for continual and constant improvement in what we do and what we grow. Better information gives you the confidence that your purchases will breed consistent flock improvement and ultimately, more profit.

Sale day this year is Friday the 21st of August at 2pm and your inspection is welcome from 11am.

Delivery of your purchases is part of the Karawatha Park service, as is flock classing by request.

We look forward to seeing you on the day, if not beforehand.
