EST. 2012

Peter, Kirsten & Warren would like to welcome you all to our 9th Annual on property, South African Meat Merino Stud Ram Sale on Friday 14th August 2020 at 4 Malycha Road, SUNNYBRAE SA 5422. Commencing at 1.00pm. Sale Rams are available for inspection from 10.00am the morning of the sale. Other inspection ties can be made prior to the sale. Please don't hesitate to ask Peter 0428 601 512 This year's sale Rams are up there with the best the stud has offered, highlighting the fact they have done exceptionally well over the dry period of last year, but also a great start to this year's season with green feed as from February has helped. Factors such as supplement feeding in the spring, due to the environment and seasonal conditions has given higher than usual Micron. The Rams are 1 ½ to 2 Micron's more on our ewe hoggets which were not fed grain or pellets. Also, a combination of our genetic base, is producing a great meat and wool product and been doing so since 1997. Factors such as Winning the Champion Fleece for the Royal Adelaide Show for the years 2017, 2018 and 2019 again is highlighting that our breeding strategy is working.

It is with great pleasure to announce that the breed of the Border Leicester/SAMM is extremely fertile and we are getting reports from our clients with extremely outstanding lambing percentages, their growth rates and fertility are second to none.
