*We can't help everyone, but everyone
can help someone.*

As many of you know, due to COVID-19 restrictions we were unable to run our fundraising Campdraft on Caldervale station earlier in the year. We have now shifted our focus to the Auction and the response has been exciting. Through many generous donations and the platform Auctionsplus, we're able to rapidly raise funds for the gorgeous Peart family. Their kindness, positivity & approach to life is truly inspiring.

Dan is undeniably the definition of a great bloke and was sadly diagnosed with bowel cancer a few years ago. One of his many great qualities is his tremendous memory. I doubt he would forget a face and therefore has MANY friends across Northern Australia! Dan wholeheartedly loves the bush, treasures his mates and loves a good laugh.

It's no surprise that between Kununurra and Chinchilla, Dan, Bridget, Jack & Annabelle have touched many people's hearts and lives. This project has brought quite a few of them together and we are excited to offer a diverse line up of unique products and services in the Auction.

Our goal is to raise as much money as we can for our friends, so they can buy a Minivan or wheelchair friendly vehicle to make life a little easier for them.

*We are well and truly on track. So, let's do it **'For our friends the Pearts'**!*
