Welcome

Welcome to the 2020 Tivoli Angus Bull and Commercial Female Sale.

The bulls offered for sale this year have been enjoying the abundant green grass at foot and will present in excellent condition. We are also offering around 50 top quality commercial females for sale.

In the sale are some high quality sons of LD Capitalist 316, Millah Murrah Lincoln L119, Millah Murrah Loch Up, Musgrave Big Sky, Tivoli J268 and Jester M34. These sires have added good length and capacity to the cattle with an emphasis on strong top lines and good carcass attributes.

We are very proud of the improvement in the quality of the stud females in the Tivoli Angus herd with cows recently purchased from the Wattleop Dispersal sale and Millah Murrah cow sale. In combination with our Embryo (ET) program from Millah Murrah and KO Angus cows, we have developed a magnificent young breeding herd.

The majority of the sale bulls have been used at least once in our herd. They have been selected to perform and recover in tough times on grass. They are robust, sound in structure and easy doing bulls. RSPP12, RSPP80 AND RSPP82 have been used a second time in an autumn joining. All bulls have been fertility tested as yearlings and then again as two year olds.

Tivoli Lochup P60(ET), Tivoli Proceed P42 (ET) and Tivoli Loch Up P56 (ET) were used in the Stud.

The above bulls are all embryos from Millah Murrah.

IN TOTAL EIGHT (8) MILLAH MURRAH ET BULLS ARE FOR SALE.

THE SALE WILL BE HELD ON OUR PROPERTY "SPRINGFIELD" 196 SPRINGFIELD RD, MERRIWA, NSW, FOR THE FIRST TIME. We are located 15Kms west of Merriwa township.

A PRE-SALE INSPECTION DAY WILL BE HELD ON SATURDAY 25TH JULY 2020 FROM 9.00AM – 2.00 PM at our Springfield Yards.

Inspections are welcome at anytime by appointment – please phone Hugh on 0402 484 018.

Sale Information

Sale day

Thursday 6 August 2020 – Springfield Yards, 196 Springfield Rd Merriwa.

10.00am Inspections commence Morning Tea and Lunch will be available.

1.00pm AUCTION SALE COMMENCES.

Sale Day Safety Warning

Please be aware of any COVID 19 restrictions that may be in place. Visitors at "Springfield" can observe bulls from outside pens. Supervision is also available to inspect the bulls and to observe them walking out. All bulls are handled constantly before the sale and are checked for temperament and structure. The bulls are quiet to handle under normal management routines in familiar areas.

Rebate: 2% rebate to outside agents registering bull buyers, in writing, at least 24 hrs prior to the sale and settling on their behalf within seven days of the date of invoice.

GST: All sales are exclusive of GST and 10% will be added at the time of invoice.

Insurance: We recommend that you insure your purchased bull(s) before they are transported. Please arrange with agents at the sale.

Prior Inspection: The inspection day will be at the "Springfield" house yard 196 Springfield Rd Merriwa from 9am – 2.00pm.

Physical examination and health:

All bulls have passed a bull breeding soundness evaluation test by Dr. Chris Hallet, Coolah Veterinary Clinic, including:

- Semen motility
- Palpation of scrotum
- Visual inspection of overall structure (including feet)
- Visual inspection of locomotive performance

All bulls are vaccinated for pestivirus, 7-in-1, Vibrio and drenched with Cydectin prior to sale. The property is JBAS-accredited level 7. All bulls tested negative to the persistently infected status of Pestivirus.

An additional outside grading and structure check is done by Dick

Whale from Independent Marketing and Breeding Services IBMS.

Fertility: See Warranty.

Supplementary sheet:

Supplementary sheets will be available containing bull weights and latest scanning information.

Phone bidding: Please contact an agent to organise phone bidding.

Transport: Free delivery offered within 100km to all bull buyers. For other deliveries speak to Hugh. Please complete instruction sheets prior to departing the sale.

Semen rights: All bulls sell with 100% semen marketing rights to the purchaser. The vendor retains the right to collect up to 200 straws of semen from any bull in the sale for use within herd. Any semen collection would be at the vendor's expense and purchaser's convenience.

Warranty: The vendor warrants that bulls are fertile and capable of natural service within six months of the date of sale to the purchaser – the Warranty Period. The vendor will either:

1. Provide a satisfactory replacement, or
2. Provide a credit for use at the next Tivoli Angus Bull Sale equal to the purchase price (excluding any costs and expenses of the purchaser in taking delivery) minus the salvage value.

Where the purchaser claims a bull is infertile, the purchaser must submit a Veterinary Report stating the bull is infertile or incapable of natural service, and a Statutory Declaration by the purchaser to the effect that the substance of the report is true and correct. The Veterinarian must state that in their opinion there is no evidence that the bull has suffered any injury or illness during the Warranty Period that could have affected his breeding ability. The Veterinary Report and the Statutory Declaration must be forwarded to the vendor within 14 days of the Warranty Period expiring.

Docility: If you have any issues with the temperament of the purchased bull please notify the vendor within 30 days.
