We are offering 18 beautiful rams that have been selected from our top draft. They are the youngest rams in the sale. Our rams are all still lambs (Aug/Sept 2019 drop) & they averaged 80kgs on the 5/8/2020, when we weighed them. They have never been grain fed, shorn or hoof trimmed. 100% paddock raised and performance recorded on LAMBPLAN. Our stock are all raised under our Rangeland Ready Policy – which you can read about on our website. www.etiwanda.com.au If you can't make the sale, you can be very confident bidding online for these rams.
