TEMANA CHAROLAIS

Welcome

Terry and Maylene extend a warm welcome and invitation to everyone attending our 12th Annual on property sale at Glen Ayr Baradine NSW.

What a Year 2019 was. Considering the exceptionally challenging year, we are incredibly happy with our 26 bulls which are on offer. The consistency in our breeding continues at Temana displaying carcass characteristics, softness, even fat cover, sound structure, moderate frames and great temperament.

The female breeding lines have been bred with constitution and consistency. The Dams of this years draft all display good udders and milking ability, length, depth and softness.

It is wonderful to hear from clients and how positive their feedback has been about the great results they are having with their individual crossbreeding programs.

All bulls are semen tested and guaranteed. They have been vaccinated with pestiguard, 7 in 1 and vibrovax.

Congratulations to all our clients who are using Temana blood lines with great results at weaner and private sales, carcass competitions and show rings.

We look forward to seeing you on the day and if you would like to view the bulls prior to the sale we would be more than happy to assist.

A Big Thank You for your past support and attendance.

Kind Regards

Terry and Maylene
