

MONTEREY SALE INFORMATION

Monterey cattle are free to enter all States.

All MONTEREY sale cattle are tested free of BVDV and are from a JBAS 8 herd. WA is rated a free State for Johnes.

The young bull is fully vaccinated with 7 in 1, Pestiguard, Vibriovax and is semen tested.

Purchasers need NOT organise their own transport as we will co-ordinate the transport to the Eastern States and will provide

generous freight assistance from Monterey to Wodonga and Melbourne and places between. All lots selling for \$4000 and above

will have freight subsidised so purchasers are guaranteed delivery will cost no more than \$500 + gst to the nominated destinations.

Our sale cattle are transported by either Doug Giles or Falls Transport.

Feel free to contact us if you have any other questions.
