WELCOME

Dong Zhu

With a strong emphasis on genetics and commercial traits Lakeside Simmental Stud hopes to produce practical cattle that will compliment your herd and take it forward into the future.

Since the foundation of the Lakeside program in 2015 a strong emphasis has been placed on selecting genetically superior animals to produce a sustainable program for this Stud. Although relatively young under the Lakeside banner the foundation that formed the corner stone for Lakeside were recognised herds that were rich in genetics and had a depth of generations of breeding.

Lily & Dong have focused on a combination of artificial breeding with performance AI Sires and natural matings through sound Herd Sires. With a concerted and sound focus on a balance of growth, muscle, calving ease and phenotype.

The 2021 Annual Sale team of Bulls and Females is made up of a cross section of numerous recognised AI Sires and quality standing Sires. The Sire list reads as an in depth who's who of the Simmental world and epitomises the effort placed on sourcing the right Sire to potentially create the ultimate offspring.

All of this is done with a belief it will unlock an opportunity for Lakeside clients to remain at the pointy end of what the beef industry is focused on leading into the future.

This year's sale line up will included 32 Stud/Herd Improving Sires, 14 Registered PTIC Heifers, 15 Registered Weaner Heifers and 20 Registered Females PTIC with 11 having calves at side. All Females have been specifically selected from within the heart of the Female herd and are a genuine offering of Females that the Stud is confident will meet expectations in breeding and type.

The SA Beef Week Field Day will be held on February 8th with the Annual Sale to follow on Wednesday February 10th commencing at 10.30am. We cordially invite you to visit on the Field Day and extend an invitation to attend our sale, for those who may not be able to attend on sale day we will utilise the Auctionsplus platform with the sale fully interface on sale day and all details available on such pre-Sale.

Lakeside is open to all visitors throughout their event days or any time with appointment. We welcome your interest in our program, appreciate any inquiry and value your support. To all that have supported our journey we hope your ventures have been fortuitous and we look forward with excitement what the future may hold and the opportunity to offer our clients support and work together with them for continued success.
