Patricia Robb and William Craze in partnership would like to welcome you to Azzura Farms Australian White Ram and Stud Ewe Sale based at Narrandera NSW.

Our journey with the Australian whites started with purchasing rams from Tattykeel for our commercial dorper ewes in 2012. Being very impressed with the lamb results we decided to form a stud in Azzura Farms Australian White in 2016. Our bloodlines mainly are Ardess, Camden Valley Whites, Cottage Creek and Tattykeel.

Due to our rugged environment our goals are to produce hardy, meaty, good frame stock with a good sheading ability and good hair pattern.

If you have any questions do not hesitate to contact us.

Thanks Trish and Bill
