

CASHMORE OAKLEA

2022

CASHMORE OAKLEA SALES INFORMATION

Commencing in 1980, Cashmore Oaklea have performance recorded 140,000 animals through the Sheep Genetics Lambplan process. Always run at high stocking rates in a challenging costal environment, this has created fast growing, high fertility, resilient sheep with good lamb survival and the most parasite resistant flock in the country. Our clients tell us this. John Keiller & Don Pegler
