Sheep purchased at the sale may be left on the property for up to a maximum of a fortnight until transport can be arranged but only if insured for that period of time or at the purchaser's risk.

Peter & Julie Button and their family welcome everyone to their FINAL Stage White Suffolk Dispersal.

After a lot of thought & deliberation, we have made the big decision to disperse our entire White Suffolk & Suffolk flocks & greatly reduce our Black Composite numbers as we move to the next exciting phase of our livesmore time to spend with family and travel !!!!

Rest assured we will still remain involved in the Sheep Industry and will continue with a few Black Composites and in a full circle, we have re-registered a small Hampshire Downs flock to play around with.

We are excited to present to you the nucleus of our breeding flock, bred after 23 years of careful selection for relevant industry traits and structural correctness, while keeping breed type in mind. At Ramsay Park we don't aim to have the highest ASBV figures on Lambplan but an optimum balance genetically to suit our Stud & Commercial clients needs.

We have been involved in showing over many years and see this as an important tool to promote our stud and compare our sheep for type and structure against the best in Australia. AI & ET programs, combined with the purchase of some specially selected stud sires have helped the rapid increase in quality of Ramsay Park stock.

We are confident the ewes on offer will fit well into your current stud breeding programs or form a solid base for anyone establishing a new stud.

At Ramsay Park we have had many enjoyable years being involved with the White Suffolk breed and the people involved within the breed & we see this continuing into the future.

We are very proud of what we have been able to achieve over the years with our sheep and even more proud to be able to present them to you.

SALE INFORMATION

Registration

All buyers must register prior to the sale in order to bid. Registration with sale operators will be open from 9am on day of sale when inspection of ewes will be available.

Inspections

Inspection of sheep prior to the sale will be given on age/mob basis by prior arrangement. Enquires on the breeding history of any of the ewes for sale are welcome. Inspection on sale day will be available from 9am.

Auction Proceedings

All breeding age ewes & specially selected ram and ewe lambs will be run in pairs but sold individually. The remainder of the ewe and ram lambs will be sold as a pair with purchaser taking both lots. Bidding will be interfaced with Auctions Plus.

Lambplan Data

The Lambplan data provided has been taken from 15th September 2021 run. Please read disclaimer below.

Transport

All buyers will need to advise whether they will be taking their purchase with them at conclusion of sale or if they will be collected at a later date. Please ensure you make your intentions on your buyer's card to assist in the loading of sheep for those collecting on day.

Buyers arranging transport at a later date are welcome to do so but will need to ensure their purchases are covered by their own insurance for the period until collected.

Insurance

Buyers will be required to arrange their own insurance at the fall of the hammer. Ramsay Park will not be held liable for any injury or death suffered. Purchase is at buyer's own risk.

Rebates

A 3% rebate will be offered to outside agents introducing potential buyers in writing to the duty agents not less than 24 hours prior to the sale.

Refreshments

Light lunch and refreshments will be available throughout the day. Buyers are welcome to help themselves to refreshments at any time during the sale.

Interstate Health Testing

Any veterinary testing required for interstate testing eg. Liver Fluke testing, cost to be at purchasers expense.

Phone Service

Please note that there is little to NO Optus phone service but Telstra service is available. We will have agents with Telstra phones available if anyone needs phone or internet service on the day.

Disclaimer

Production of this sale catalogue has been a significant task due to the individual data provided for each animal. Whilst all care and attention has been paid to accuracy in the compilation of the catalogue, neither the vendors nor the selling agents assume any responsibility for the correctness, use or interpretation of the information of animals included in this sale catalogue.

If you find a discrepancy, please do not hesitate to contact us for clarification of the information.

Any alterations to sale catalogue data will be identified on the Ramsay Park website and announced immediately prior

Animal Health

- Ramsay Park flock is Accredited Ovine Brucellosis Free (No. 1012)
- Ramsay Park flock is Accredited MN3 status with the OJD MAP (No.S175)
- Ramsay Park has never had any incidence of footrot.
- All lambs drenched with Startect and given Glanvac 6B12 at weaning.
- Ewes will require annual pre-lambing 6-in-1 vaccination.
- Ewes were shorn and backlined /drenched with Maverick in September 2021.

Interstate Health Testing

Any veterinary testing required for interstate testing eg. Liver Fluke testing , cost to be at purchasers expense

We would like to thank all fellow breeders for your participation and support for our FINAL Stage Dispersal Sale.

We wish everyone all the best for the future with your purchases and we hope they bring you as much satisfaction as they have for us over the years. Many lifetime friendships have been made over many years and we look forward to continuing these in the future.

The sheep may depart but the friendships will remain. Look outWe may even call in with our caravan for a visit!!!

To everyone that has helped us in any way with the organising and running of the sale, help with catering or given advice when needed, Julie & I cannot thank you all enough. It has been a huge task to get to Sale Day and we really appreciate everyone's help in making it an easier task.

Peter & Julie Button & family
