Assessor Comments	Annual draft of Moville weaners that have been offered in on property circuit Weaner sale for the past 20 years . The Moville cattle are bred from a self replacing herd with strong breeding objectives around fertility, doing ability , early growth and a healthy yard weaning program. All calves yard weaned with full health protocols including Bovilis MH + IBR for all steer calves. The composite bred Moville cattle are highly regarded by bullock fatteners and feeders alike. Very odd calf with mild case of ringworm at time of assessment. All weights are indicative weight as per group assessment 1st November. All calves will be lot weighed on farm weighbridge on 12th of November. Sale will be interfaced with Auctions plus , all calves sold on soft floors with weights displayed on sale day, sold \$/head .
