Information

Vendors are reminded of the following:

- When a ram is sold by a vendor the rights to sell his semen goes to the new owner.
- If a vendor is selling a ram they must declare that they have retained semen for their own use.
- Semen should only be retained for the vendors own use and not for sale unless stated prior to the sale that the retained semen will be marketed.
- Transfers of registration will be completed by the DSSA on behalf of the vendor.

PLEASE NOTE

Animals that have not been sold during the course of the auction CANNOT be sold by private treaty post sale on the sale premises (Dubbo Showground).

Conditions of sale

- The vendor is responsible for the animals presented for sale must be negative to Ovine Dermatoparaxis;
- All rams presented for sale must be from an Ovine Brucellosis accredited flock; and
- All animals presented for sale will be from a property with a non-infected status for Ovine Johnes Disease. Purchasers need to determine the property status of any purchase for suitability for entry to their state.
- All sheep will be checked for weight, body score, teeth, testicals and soundness on arrival to the Dubbo Showgrounds.
- Auction Selling Terms are available at registration tables.

The advertisement features a large background image of a herd of sheep in a dry, open field. On the right side, there are three inset images: the top one shows a person in green scrubs using a pipette to transfer liquid into a petri dish; the middle one shows hands holding a petri dish with a yellow substance; the bottom one shows a grid of many small, round, yellowish embryos.
