30 Year Celebration
CHAROLAIS FEMALE SALE

On property "Glendale"

1840 Mary Valley Rd, Gympie Q.

Monday 15th March 2021

Commencing 10am QLD Time

Ross & Paula Warren 0438 866 213

elridge@bigpond.com

Agent: Aussie Land and Livestock

James Bredhauer 0427 549 373

Midge Thompson 0427 710 018

It is our great pleasure in welcoming you to our 30 year Charolais female celebration. We have presented some of the very best our herd has to offer in this sale with the culmination of 30 years of stud Charolais breeding for Elridge and Sirrah. We are proud of these females and hope they provide an insight into our program. Without doubt every one of these females would have been retained if not for our 30 year anniversary. We wont be offering another line of females for another decade.

Over the years we have endured the highs and the lows like everyone but there have been more good days than bad. We really love breeding cattle, and we have enjoyed making many wonderful friends along the way. The strength of the beef industry is encouraging and exciting, however, we are determined to continue our dedication to continue breeding functional, profitable animals that satisfy the requirements of our clients.

Our passion and commitment to Charolais will continue long into the future. Charolais have so much to offer the Australian Beef Industry. Their ability to produce cattle that gain weight efficiently and meet market specifications give these cattle a huge advantage. The females in the sale today are from our strongest cow families , they have all the wonderful attributes of this great breed. We hope that you will enjoy this offering as much as we do.

Kind Regards Ross, Paula and Porsha Warren

SALE INFORMATION

Delivery and Transport

We take pride in our Elridge cattle and want to ensure safe delivery. Please provide written delivery instructions only on the buyers instruction form provided in the back of this catalogue. Where practical Elridge offers assistance on some major transport routes.

Accommodation

If you require assistance with accommodation please call us or the selling agent. Gympie and surrounds offer numerous well appointed venues.

Phones

Mobile phones operate at Glendale.

Registration Transfers

All females are currently registered with the Australian Charolais Society. We will transfer the animals in due course after the sale. Please complete the details on the instruction sheet in the back of the catalogue. If you are not a member, please register by contacting the society on (02) 6771 1666.

Refreshments

Food and refreshments will be available throughout the day.

Outside Agent Rebate

2.5% rebate is offered to outside agents introducing buyers in writing prior to the sale to the selling agent and settling within 7 days.

Bid Cards

The registered bid card system will be operating at the sale, please register with the selling agents prior to the commencement of the sale.

Health & DNA

Elridge has achieved JBAS 8, animals are eligible for travel throughout Australia. The herd is TB and Brucellosis free.

All females are vaccinated according to the manufacturers best practice instructions. All females are vaccinated with 3 Germ Blood, 7 in 1, BEF 3 day sickness.

All females are DNA sire verified and polled tested. All females are pestivirus PI negative.

Guarantee

Elridge guarantees the fertility and soundness of all animals. This sale also operates under the ALPA TCs February 2017.

Insurance

We will take great care of all of the animals after the sale, however, it is our recommendation to insure your purchases. A representative will be available on sale day.

Pregnancy

Our veterinarian has pregnancy test mated females.

AuctionsPlus

This sale will be linked to AuctionsPlus, this on-line platform will enable remote purchases. Please make yourself familiar with the process prior to the sale. There is an instruction page in this catalogue, if you require assistance please call the AuctionsPlus team, they are very helpful, (02) 9262 4222.

Breedplan Data

Estimated breeding values are included in the catalogue, this data may assist with assessing animals for their genetic capability, in addition to your physical appraisal. A full compliment of data is available on the Charolais Australia website.

Charolais Group Breedplan Averages.

How to Register and Bid on AuctionsPlus

- 1 Go to www.auctionsplus.com.au to register at least 48 hours before the sale.
- 2 Select **"Sign Up"** in the top right hand corner.
- 3 Fill out your name, mobile number, email address and create a password.
- 4 Go to your emails and confirm the account.
- 5 Return to AuctionsPlus and log in.
- 6 Select **"Dashboard"** and then select **"Request Approval to Buy"**.
- 7 Fill in buyer details and once completed go back to Dashboard.
- 8 Complete buyer induction module (approx. 30 minutes).
- 9 AuctionsPlus will email you to let you know that your account has been approved.
- 10 Log in on sale day and connect to auction.
- 11 Bid using the two-step process – unlock the bid button and bid at that price.
- 12 If you are successful, the selling agent will contact you post sale to organise delivery and payment.

For more information please contact us on:

Phone: (02) 9262 4222

Email: info@auctionsplus.com.au

Stay for a weekend!

The beautiful Mary Valley is nestled in the authentic Sunshine Coast region. Experience clean and pristine beaches, lush and attractive hinterland and most of all wonderful people. This region has so much to offer if you can spare the time for a quick get away before the sale. Visit www.visitsunshinecoast.com for more information.

Junior and Intermediate incentive program

We started in the stud industry as teenagers and know how hard it is to get those first few cows. To try and help with those first purchases we would like to extend a rebate to any Junior or Intermediate members of the Charolais Society of Australia. If you arent yet a member but are interested in the breed call us or the wonderful team at head office, CSA (02) 6771 1666

Elridge are offering a **5% rebate** on any female purchases to any Junior or Intermediate member of the CSA.

Reference cow families

Sirrah Xcite. This was one awesome cow that we bred, she excelled in so many ways. Volume, constitution, milk, skin, fertility and longevity (14 years). Her progeny continue to breed on for us, this will remain a strong cow family into the future for Elridge.

Palgrove Digna 122. A wonderful cow that has bred consistent progeny with class, style and all the attributes we look for. At 15 years she is pregnant and going around again. Daughters are big volumed, beautifully uddered and breed on.

Gunnadoo Mac Gold U300. Another matron that had longevity built in for 18 years. She bred thick, easy doing, predictable progeny from any sire she was mated to. Her females are correct, fertile and have a great constitution. This great old cow continues to influence our program.

Joining Sire Selection

Elridge Quicksilver Q133E - used for our P heifer joinings. This young bull handled his work really well and is going to feature in our ECBS 2021 sale. Sire appeal, Homozygous Polled, thickness, pedigree

OW Lead Time Used as an AI sire for heifer joinings. An outcross sire that has calved beautifully. Some special young heifers are offered in our sale.

Palgrove Precision Purchased in 2020 as our new lead sire. His constitution has been what we expect, temperament is superb, we are excited about his progeny hitting the ground in spring.

LT Venture a bull that we have used in our heifer and cow programs over the years. Selectively joined to some heifers in the sale and some very special progeny offered in the catalogue. Soft, maternal and beautifully natured.

LOT 1 ELRIDGE MAC GOLD M11E (P)

DOB: 28/06/2016 ID: RUU M11E Polled

Rolling D Classic (P)

Kayr Velocity (P)

Kayr Annabelle

LT Cheyenne Blend (P)

Elridge Mac Gold J3E

Elridge Gracious

We set out to fill the catalogue with maternal strength, Mac Gold kicks off and you will see the name repeated many times throughout. This young cow is by the Canadian sire Velocity, she is wide hipped, beautifully refined and correct. Her calf demonstrates what she is capable of, this Polled heifer calf at foot RUU R3E (31/05/20), is sired by Palgrove Hallmark (P) (R/F) that has worked really well for us.

She is Al'd to Prince (AKTP29E) 08/09/20, a polled sire whos progeny we are excited about.

Eldridge Red Foo (R/F)

Moongool Poppy 2

Moongool X-Plosive (P/S)

Bremelty Chupa Chups (P)

Charose White Magic 3

This is a real bull breeding cow, her heifer calf isnt too bad either! She is a moderate cow with great volume, clean coat and tidy udder. M27 is a really functional young female. She is sired by the carcase king in Red Foo, look for his accolades in the catalogue. Her 2019 bull calf will be a lead bull in our 2021 sale, polled and red. Her heifer calf is a HOMOZYGOUS Polled RED FACTOR RUU R138E (12/09/20), sired by Clare Navigator (P) (R/F), she is really special.

She is AI joined to the Homozygous Polled KV. Novak on 20/11/20.

Conroy Oregon

An absolute stand out. This is a female that has all the qualities that we have come to enjoy from our Hilary daughters. She is moderate with a supple hide and really easy keeping. Her pedigree is packed full of great breeding animals. The udders on the Hilary daughters are exceptional, this heifer is shaping up to be one of the best. Oregon will be very productive and her sisters are staying on in our herd.

She is AI'd to Elridge Navman on 08/10/20, running with RUUQ133E (PP).

Elridge Gently (P)

Here is an opportunity to access some fresh genetics. We used Lead Time as an outcross in our heifer program. His calves are born small but are really growing out well. This heifer is square and strong topped. She has a great head and is very neat through the shoulders. Her dam is a first calver that has a perfect udder and plenty of volume, she held up really well and reared this lovely calf. This is a young female with an enormous future ahead of her, she will handle a range of genetics.

Sirrah Harmony (P)

Look at this outstanding future breeder. Some new Canadian genetics have bolstered the maternal strength in this combination. This heifer is so square, strong topped and beautifully balanced. She has combined power and femininity very well. Out of a first calf heifer that performed really well. Her udder and maternal capabilities are exemplary. This heifer has such a strong cow family, stemming back to our favourite in Digna 122. The good nature of this heifer round out a really special female.

Sirrah Diamond (P) (R/F)

Red factor, polled and very maternal. A unique opportunity to secure some new genetics from a cow family with longevity locked in. Out of a first calver that is going to be at the top of the herd very quickly. We are really happy with our Knockout females. They are correct, big volumed and have great udders. This heifer has a beautiful wedge shape and is really long. An outcross female that that is going to handle a broad sire battery. This is a very stylish young matron with loads of potential.

Elridge Alleganz K39E (P) (R/F)

Elridge Alleganz

HOMOZYGOUS Polled , deep, thick, long and really feminine. Her dam, K39 is breeding exceptionally well with her first two sons averaging over \$10,000 and we kept semen in her first calf Navman. We selected her sire as a calf for his growth, muscle and softness, and later sold him as a stud sire. R17 is going to be a breeder that will not miss in any program, she has the capacity and class to breed top shelf progeny.

Elridge Charolais EKKA 2020

carcase success

We were getting set for the Charolais World Congress in 2020 when things changed! To the credit of the RNA organising committee we were able to enter our commercial entries into the carcase competition.

Reserve Champion Carcase. Junior Led Heifer (Porsha Warren) marketed by A.L.L realising \$10/kg. Sired by Elridge Red Foo, sire of Lot 3.

First place Heavyweight Class 7B. Sired by Elridge L55E, son of PRB D213.

We are excited that Clare Charolais are able to offer some exceptional genetic packages in the sale. The all red offerings have bred extremely well for Clare, some outstanding sale topping male and female progeny have been produced.

The Clare cow herd are selected to be efficient, low maintenance and easy doing with a focus on structural soundness, temperament, udder quality and fertility.

The semen and embryo packages from Clare present a unique opportunity to bolster any breeding program. The genetics are proven to perform.

Please note that the embryos and semen are stored at Beef Breeding Services, Rockhampton Qld. The purchaser will be responsible for the costs associated with dispatch.

Alan & Natalie Goodland - 07 4993 2298

Embryo Package

Embryos sold on a per embryo basis. Purchaser of Lot (a) has the option to purchase Lot (b) for the same price. 50% pregnancy guarantee when embryo implanted by an accredited and approved technician.

Lot 130 Moongool Kartel (P)(R/F) x Shiloh Ever-Red-E(P)(R/F)

(a) 4 embryos. Purchaser\$.....

(b) 3 embryos. Purchaser.....\$.....

This is a combination of two very good breeding individuals. Moongool Kartel, the Senior Champion Bull in Brisbane 2016 and purchased as the top priced bull at Moongool that year. He is breeding great at Clare and a son Clare Panther topped our Eidsvold Charolais Bull Sale in 2020 at \$20,000. Shiloh Ever-Red-E is a very easy doing cow. Her consistency of breeding a top calf every year led us to adding her to our donor cows. The calves should all be red and polled, really soft but with muscle, very correct and head straight to the top of your keeper yard.

Temana Gold Logie (P)(R/F)

DSK Alibi (P)

Moongool Kartel (P) (R/F)

Shiloh Ever-Red-E (P)(R/F)

Moongool D290

Shiloh Poppy (R/F)

Moongool Kartel (P) (R/F), breeding particularly well for Clare Charolais. Heifer progeny are amongst the very best.

Shiloh Ever-Red-E. This cow is breeding soft, thick progeny and she is continuing to perform into her senior years.

Semen Packages

Semen sold on a per straw basis. Purchaser of Lot (a) has the option to purchase Lots (b) and (c) for the same price.

Lot 130 Glenlea Honourable (P)(R/F) - VLWH25E

This is a great opportunity to acquire some Honourable semen. He has been used in a number of Studs all over Australia and is doing a great job in every herd. His pedigree is so reliable with Redemption on the top side and Fernvale Chiffon on the bottom. He has top of the breed growth and above average for both EMA and Fat. Dont let this chance to use this top class red polled Sire go past.

(a) 10 straws. Purchaser\$.....

(b) 10 straws. Purchaser.....\$.....

(c) 10 straws. Purchaser.....\$.....

Lot 131 Palgrove Eclipse (P)(R/F) - PKE302E

This is a no miss Sire. Purchased as a top priced yearling bull at the Palgrove Sale in 2010. Eclipse is red and polled and has bred extremely well. His sons were our highest averaging every year and his daughters are breeding very well at Clare. A couple of years after his purchase David Bondfield came and looked at Eclipse and his calves and then took semen to use at Palgrove. Eclipse also had a very high strike rate at Palgrove with his sons making top Sale bulls and daughter keepers.

(a) 10 straws. Purchaser\$.....

(b) 10 straws. Purchaser.....\$.....

(c) 10 straws. Purchaser.....\$.....

Son of Eclipse - Clare Gambler (P)(R/F)
sold to Noller Charolais.
