

Frontiere
Limousin Stud

FINAL DISPERSAL SALE
24TH MARCH 2021
STARTING AT 1PM

Welcome to Frontier Limousin Stud's Final Dispersal Sale
Frontiere's focus since day dot has been in producing docile, well-muscled, sound cattle that add value to both commercial and stud operations.
In 2000 Greg purchased our first Stud Bull from O'Sullivan's, and that was where it all began. It fills us with pride to present to you our finest Limousin genetics that we have developed over the last 21 years.

In this time we have built valuable friendships and business relationships, had opportunity to travel the world and accumulating knowledge within the Limousin breed and greater beef industry. We will be forever grateful for everything the people, places and cattle have taught us.

You will find that all these things combined with Greg's passion for Limousin cattle and genetics shine through the 9 Cow Calf units, 10 Yearling Heifers, 8 Mature Bulls, 5 Yearling Bulls & 17 Genetic packages we are offering in this sale through online auction on Auctions Plus with Nutrien Ag Solutions. To get connected on Auctions plus you should be able to contact your local livestock agent or Kieran Johnstone 0408 352 629.

For more information on sale lots you are welcome to contact:
Marilyn Frost on 0457 637 457 or Rylie Cherrey 0416 462 787

While we will be sad to see the stud cattle leave our paddocks, we are excited to see Greg's legacy live on through the Frontiere genetics that will perform & produce in yours.
