PLEASE BRING YOUR CATALOGUE ON SALE DAY

INTRODUCTION

Welcome to Ravensdale's Inaugural Bull & Female Sale.

Thank you for taking the time to view our catalogue, Libby, Simon and myself look forward to seeing you on sale day.

After a few difficult years it has been a great turn around for the whole farming community to be pulled back from the brink.

In the following pages we present to you many years of striving for genetic gain in our breeding program with the focus equally on Performance and Phenotype as represented by our Reference Sires, Stud and Commercial Bulls and Stud Females. Every year we are excited with both our bulls and females as they just get better and better.

At Ravensdale our aim is simple, to be a leading performance seedstock herd excelling in commercially important traits to improve clients bottom line. With the focus on fertility, live calves, growth rates and finishing ability.

Our goal has always been to conduct our own on property sale with all bulls being presented through this forum.

OUR BULLS

Since inception we have used both Dubbo and Wodonga National Shows and Sales as a platform to measure ourselves against other Hereford Studs.

At the Injemira Annual Production Sale in 2020 thirteen sons of Ravensdale Wildfire L133 grossed \$205,000. Top price \$36,000, top five averaged \$23,400 and averaging \$13,666.

Our Bulls have gone into many leading studs and commercial operations (see Acknowledgements back pages).

OUR SUCCESSES - DUBBO

2014 GRAND CHAMPION Bull Ravensdale Elliott who was purchased by Jim Gunn of Sevenbardot later went on to win a Silver Medal in the Global Hereford Challenge.

2018 Ravensdale Guardian M222 (aka Bullet) was the top priced bull for \$32,000 and sold to Steve & Debbie Reid of Talabalba in partnership with Nikki & Mark Duthie of Callaway Poll Herefords.

OUR SUCCESSES - WODONGA

- Senior Champion
- Reserve Senior Champion
- Reserve Junior Champion
- DIVISIONAL WINNERS and
- Most Successful Exhibitor.

OUR FEMALES have excelled in the annual The Stock & Land Heifer Challenge run in conjunction with BEEF WEEK covering southern NSW, Victoria & South East South Australia.

Generally 40 to 50 studs representing all breeds put up a pen of ten heifers.

- 2018 Finalist (Top Ten)
- 2019 Champion Pen
- 2020 Reserve Champion

RAVENSDALE SPARK RHXM037 has just been accepted into the Herefords Australia SUPER SIRES PROGRAM.

At Ravensdale we strive for consistency.

FEMALES INTRODUCTION

DIAMONDS ARE CREATED UNDER PRESSURE

Ravensdale Poll herefords aim is simple - to be a leading seedstock producer focusing on commercially important traits, producing fit and fertile bulls with growth and finishing ability.

With a registered herd of over 350 breeding females and around 150 heifers annually vying for a place in our herd. There is a lot of pressure on females to perform and remain in the herd or for heifers to be selected to come into the herd.

For the first time ever we are offering a selection of elite stud females to the public. These were participants in the Stock & Land Heifer Challenges over the past few years. In addition we have included six Q heifers.

We guarantee the cows and heifers are all positive test in calf and due to calve February/ March. All these females have produced a calf at each joining.

Our entire herd is independently structurally assessed each year.

Our foundation females come from some of the oldest Hereford herds in Australia, including Merawah, Allandale, Days, Mawarra, Pine Hill and Mount Difficult.

Our extensive embryo program has enabled us to accelerate the performance of our herd and genetic gain. Merawah Irish Rose JDOB1

produced over 90 calves. At last count there were still over 40 ET daughters in our herd.

B1 sons have excelled. Ravensdale Elliott H202 was awarded Grand Champion at Dubbo in 2014.

B1 progeny have grossed in excess of 250,000.

Other superior donors progeny have grossed in excess of \$200,000.

JDO C155 - over 55 calves.

JDO B14 - over 25 calves.

JDO B62 - over 60 calves.

JDO B72 - over 30 calves.

In 2021 RHX will join over 400 stud females. These will be joined to five AI sires and five resident sires.

We offer to re-join sale heifers and cows at no cost to the purchasers to selected stud sires or AI sires in use at RHX.
