Sire: HR 1000. Well Gully family
Age: 24 months
19.5u 2.8sd 14.4cv 99.8cf

Will stand out like a beacon in the Bendigo pens. Sired by Hamilton Run leading Sire HR1000 this ram was used twice as a ram lamb in paddock including a dusty January mating. Fertility traits here – he's a large-framed 'carcase' type carrying very good 58's crimp and style. He shows a long clean nose, deep jaw and clean poll. Great length of body and neck extension. PP gene. Progeny showing great length of body with free growing wools. This ram weighs 141 kg.

Lot: 44
Tag: 45
Sire: Poll Bonooke 160536 semen sire
Age: 24 months
21.0u 3.5sd 16.7cv 99.5cf

Again, a 'growthy' carcase poll ram with width right through the brisket to the backend. A masculine sire with a big barrel and meaty twist. Also used twice in the paddock as a ram lamb. A powerful muzzle. Growing 'crisp' medium wool he combines thickness with staple length. A big 'thick bodied' to cut a volume of excellent testing quality wool. PP gene. Progeny showing meat attributes with natural nourished wool. This ram weighs 148.5kg.
