Information

Vendors are reminded of the following:

- When a ram is sold by a vendor the rights to sell his semen goes to the new owner.
- If a vendor is selling a ram they must declare that they have retained semen for their own use.
- Semen should only be retained for the vendors own use and not for sale unless stated prior to the sale that the retained semen will be marketed.
- Transfers of registration will be completed by the DSSA on behalf of the vendor.

Conditions of sale

- The vendor is responsible for the animals presented for sale must be negative to Ovine Dermatoparaxis;
- All rams presented for sale must be from an Ovine Brucellosis accredited flock; and
- All animals presented for sale will be from a property with a non-infected status for Ovine Johnes Disease. Purchasers need to determine the property status of any purchase for suitability for entry to their state.
- All sheep will be checked for weight, teeth, testicals, teats and soundness prior to the sale and come with a vendor guarantee.
- Please note due to the nature of the online sale the usual 3 inspector system could not be applied. Some sale sheep may not have been able to be classed. This should not detract from their quality.
- If you have any questions about specific lots, please contact the vendors directly.

Disclaimer

The Dorper Sheep Society of Australia Inc. accepts no responsibility for any mistakes or incorrect information compiled in this catalogue. The information has been collated as provided by the vendors. The selling agents and the Dorper Sheep Society of Australia Inc. are not responsible for guaranteeing future health and reproduction capability of sale entries, this responsibility belongs to the vendor, and any disputes are to be settled between the vendor and purchaser.
