# 2021 TICOBA BULL SALE

## SALE INFORMATION

### Health & Breeding Soundness

All bulls have been treated with 3 germ blood, 3 day vaccine and 5-in-1 vaccine, and will be cleared to travel to clean areas. All bulls are classified J BAS 7.

All bulls are semen tested prior to sale. Any bull without a satisfactory semen result will be withdrawn from the sale. To the knowledge of the vendor, all bulls offered for sale are sound and fertile, confirmed by fertility and soundness evaluations by a qualified vet.

### Transport

Bulls can be picked up from Ticoba from Sunday 29th August. Arrangement prior to pick up is kindly requested. Free delivery can be arranged to Roma, Gracemere, Biggenden, or within a 150 kilometre radius of Ticoba. All care but no responsibility will be taken with these deliveries.

### Insurance

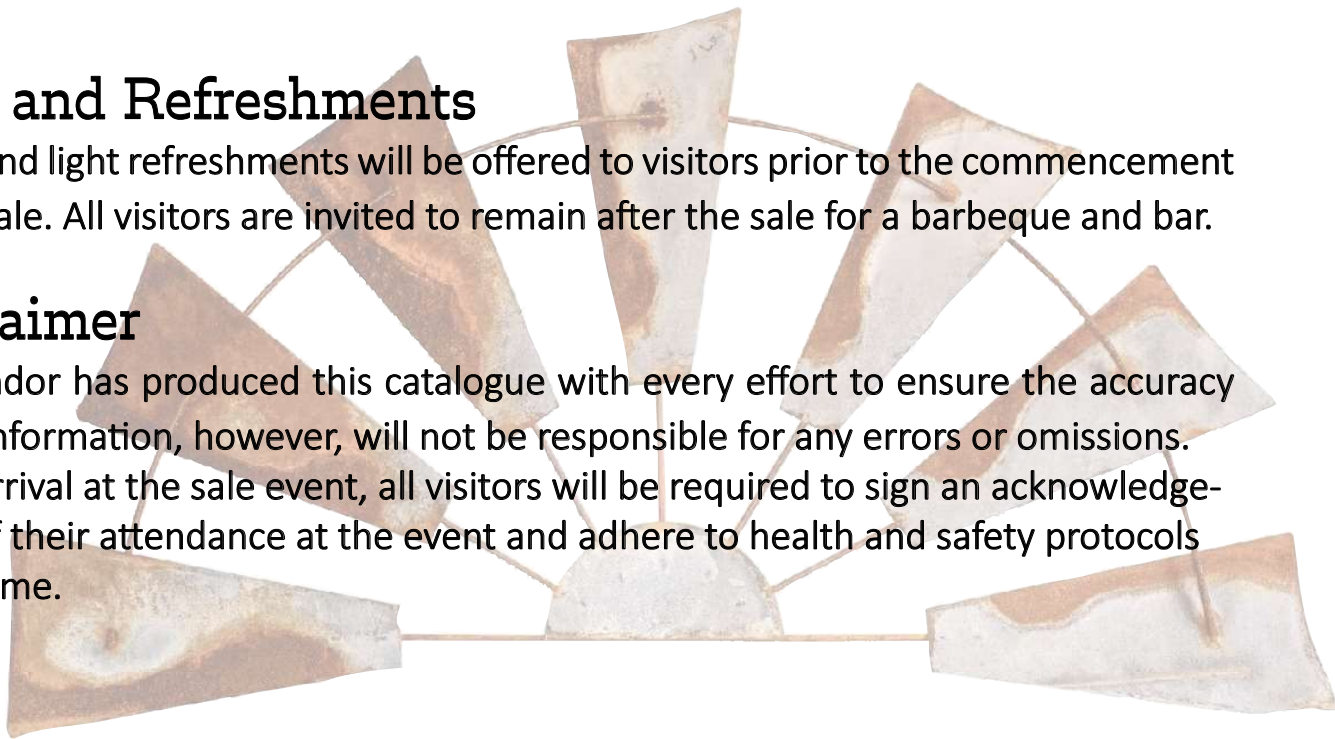

Although all care will be taken, from the fall of the hammer, all bulls become the responsibility of the purchaser. We strongly recommend you insure your purchases with your preferred insurer. Insurance representatives will be on site on sale day to assist.

### Food and Refreshments

Lunch and light refreshments will be offered to visitors prior to the commencement of the sale. All visitors are invited to remain after the sale for a barbeque and bar.

### Disclaimer

The vendor has produced this catalogue with every effort to ensure the accuracy of the information, however, will not be responsible for any errors or omissions. Upon arrival at the sale event, all visitors will be required to sign an acknowledgment of their attendance at the event and adhere to health and safety protocols at the time.
