Bull Inspection on Property during sale period —
16th Sept 10am to 2pm or by Appointment

Welcome to Binara

Welcome to our first on-line (on- property) bull sale. Starting into the stud game 17 years ago, under the Kalem prefix, Binara Poll Herefords aim has always been to breed easy doing, fuss free, functional, commercially focused cattle with performance.

We hope you have been enjoying an improved season! We have been lucky enough to receive some rain and are enjoying a much appreciated reprieve from the monotony & expense of trying to maintain the majority of our cow herd. Like many others we are rejoicing in what has been the ultimate reward ... record breaking cattle prices!

We are proud to present this draft of bulls for your consideration. They are a testament of the type of bull we're aiming to produce with a performance focus. June 2021 was when these bulls enjoyed their 1st ever fodder crop, which has solely been their sale preparation, prior to this they were like many cattle in the district, born and raised under tough conditions.

Inspections are recommended & welcome prior to the on-line auction. We hope to see you at the Bull Inspection Open Day 4th September, inspections are also available by appointment, please give us a call!

We look forward to speaking to you,

Kind Regards,

Ivan and Amanda
