An excellent young Powerpoint son. A beautifully free moving and stylish bull with plenty of growth and middle. Out of a cracking M25 first calver. He is a calving ease expert making him highly suitable for heifer joining. A solid spread of growth data with him being within the top 15% for CWT.

A strong Beastmode son out of a Legend 5019 first calver. A really mobile and eye-catching young bull. Moderate birth with explosive growth in this joining with him being in the top 1 and 2 % for all growth traits. High milk and +82 for CWT. A young fella not to be looked over.
