DEMONDRILLE MERINO STU

The Demondrille Stud Flock No. 3994 was founded in 1983 with the purchase of one hundred stud ewes and their lambs from Tulangi (Flock No. 56).

Prior to founding the stud the Davis Family had been breeding fine wool Merino Sheep since 1942.

The flock bred from Tulangi continually from 1951 and since founding the stud, sires have been introduced from Merryville and other Merryville based studs. Stud ewes have been purchased from Merryville also.

Achievements

Demondrille had a successful show season in 2019. Our best achievements were with our superfine ram that was awarded Supreme Merino Exhibit at the Sydney Royal Show, Grand Champion at the Great Southern Supreme Merino Show in Canberra and Supreme Exhibit at the Armidale Show. This ram sold at the Armidale Ram Sale to Kurrajong Park for \$21,000.

It was wonderful to back up our trifecta win at the 2017 Sydney Royal where we won Supreme Merino Ram, Supreme Merino Ewe and Grand Champion Fleece.

Demondrille's clients have been achieving good lambing percentages and above average wool cuts. They are also proving to be competitive in the wether lamb market. They have great meat carcass traits. Two of our long term clients selling wethers achieved \$230 and \$215 for their whole 2018 draft.

Going forward Demondrille has just completed DNA testing of all their stud ewes and offspring. We have been collecting raw data for the past four years and teamed up with Sheep Genetics – Merino Select ASBV.

The sires Demondrille are currently using are selected for their well structured, large frames with a skin capable of cutting a large quantity of quality white wool. These are being select by both their visual characters with the raw data to back them up.
