# WELCOME

Dear friends, repeat clients and new clients,

It is my pleasure to welcome you to the inaugural on-property Fig Tree Park Angus Bull & Female Sale.

Fig Tree Park is family owned and operated by myself and my partner Laura, with help from my two kids Jake (9) and Grace (8).

Our aim is to produce high quality, affordable Angus cattle that are structurally sound, quiet, easy to handle, fertile and that perform under pasture and feedlot conditions. We are continuously striving to improve not only our own productivity, profitability and sustainability, but that of our clients also.

This year we have a fantastic line up of bulls on offer, with over half the draft suitable for heifer joinings. Our registered yearling heifers have been hand picked for this sale and are EU accredited. We have also combined with my parents, Stuart and Jennifer, to offer our clients exclusive first access to our top EU accredited commercial Angus heifers which is something we have never offered before.

This sale would not have been possible without the help of John Collison, Laura's mum Jane, and my parents Stuart & Jennifer Siddell.

On behalf of Laura, Jake and Grace, I thank you all for your support and wish you luck with your bull purchases.

- Jason

# SALE INFORMATION

This year we have on offer:

- Two 2-year-old bulls (APR)
- 28 yearling bulls (HBR & APR)
- 15 Registered Heifers (offered as 3 Sale Lots of 5 head)
- 15 Commercial Heifers (offered as 1 Sale Lot)

The purchaser of the first lot of Registered Heifers (Lot 31) will have the option to purchase all three lots (Lot 31 - 33) for the same per head price. If they decline, the remaining two lots will be auctioned independently.

All bulls and females for sale will be available for inspection on-farm at "Strabanne" from 9:00am-12:30pm on sale day, prior to the live sequential auction at 1.00pm. Due to the poor mobile reception on-farm, the live auction will be held at Wandsworth Hall, just 300m up the road. We have hired two large screens to display video footage of each sale lot as the auction progresses.

Morning tea & lunch will be provided and our clients are welcome to join us for light refreshments after the sale concludes.

**AuctionsPlus**<sup>®</sup>

*Australia's Livestock Marketplace*

**This sale will be interfaced with AuctionsPlus.**

Our auction will be conducted live at the Wandsworth Hall by Lincoln McKinlay with pre-recorded video footage of each sale lot and interfaced online through AuctionsPlus with real-time audio streaming.

Anyone bidding online will have their bid immediately transferred to an agent at the auction and relayed to the auctioneer.

Bidding online is only available to Registered AuctionsPlus Users. **To bid you must register at least 24 hours prior to the sale commencing** online at [www.auctionsplus.com.au](http://www.auctionsplus.com.au) or by calling AuctionsPlus on 02 9262 4222.

# AuctionsPlus

## How to Register and Bid on AuctionsPlus

- 1 Go to [www.auctionsplus.com.au](http://www.auctionsplus.com.au) to register at least 48 hours before the sale.
- 2 Select **"Sign Up"** in the top right hand corner.
- 3 Fill out your name, mobile number, email address and create a password.
- 4 Go to your emails and confirm the account.
- 5 Return to AuctionsPlus and log in.
- 6 Select **"Dashboard"** and then select **"Request Approval to Buy"**.
- 7 Fill in buyer details and once completed go back to Dashboard.
- 8 Complete buyer induction module (approx. 30 minutes).
- 9 AuctionsPlus will email you to let you know that your account has been approved.
- 10 Log in on sale day and connect to auction.
- 11 Bid using the two-step process – unlock the bid button and bid at that price.
- 12 If you are successful, the selling agent will contact you post sale to organise delivery and payment.

For more information please contact us on:

Phone: (02) 9262 4222

Email: [info@auctionsplus.com.au](mailto:info@auctionsplus.com.au)

## **PRE-SALE INSPECTIONS**

Pre-sale inspections are welcome by appointment. Please contact Jason or a member of the Elders team to arrange a day and time.

## **OUTSIDE AGENTS REBATE**

A rebate of 2% is available to outside agents introducing buyers prior to the sale. Please contact Elders Guyra for more information.

## **TRANSPORT**

Local carriers will be available on sale day. Interstate transport can be arranged. Please contact Jason or Elders Guyra.

## **LIVESTOCK GUARANTEE**

Every bull is guaranteed to be in working order at the time of sale and is guaranteed fertile for six months from sale date. In the unlikely event of infertility, provided it is not caused by injury or illness contracted after the sale, we guarantee to supply a replacement bull if available or issue a credit equivalent to the purchase price of the bull which may be used at our next sale.

## **LIVESTOCK INSURANCE**

We encourage buyers to insure their purchased bulls at the time of sale. Elders will be present on sale day to provide assistance with insuring your purchase. Any injury or death that occurs post-sale is the responsibility of the buyer.

## **RETAINED OWNERSHIP**

Fig Tree Park Angus retains 50% semen share and marketing on all bulls catalogued in the 2021 sale. This will remain in place even if bulls are sold on to another Breeder at a later date.

As bulls are commonly discovered at a later age i.e. after progeny are born and data is recorded, Fig Tree Park Angus invokes the right to collect up to 200 straws of semen for within herd use, at a time that is convenient to the new owner.

## **SUPPLEMENTARY SHEET**

A supplementary sheet will be available on sale date with most recent weights and any other additional information.

# **SALE DAY SAFETY**

## Sale pens

Whilst one of our key focuses is on breeding quiet cattle, animal behaviour can be unpredictable. Please take care when entering the sale pens keep in mind that large crowds and increased noise can cause cattle to behave unexpectedly. Children should be kept away from sale pens and supervised at all times.

## COVID-19

We have a COVID-19 Safety Plan and are committed to keeping you and our community safe. Please respect the health and safety guidelines issued by the NSW Government and sign in with our QR Code.

# **ANIMAL HEALTH**

## All sale animals

Double vaccinated with Websters or Ultravac 7-in-1  
Tested negative for Pestivirus  
Drenched with Exifluke 240 & Strategik Mini-dose  
Treated with Demize Fly & Lice Pour On

## All sale bulls

Double vaccinated with Vibrovax.

## All seedstock heifers

Double vaccinated with Pestiguard (although they have also tested negative).

## Commercial heifers

R110 - R122 treated with Genesis pour-on 18/08/2021  
R100 & R105 treated same as seedstock heifers.

## Johne's Disease

Under the new scoring system, the Fig Tree Park herd is a JBAS Score 6.

# **GENETIC DISORDERS**

All our sale bulls are tested free and/or free by pedigree of Arthrogryposis Multiplex (AM), Neuropathis Hydrocephalus (NH), contractural Arachnodactyly (CA) and Developmental Duplications (DD). BUSR60 will have results available on the supp sheet on sale day.

## Please check in. It's mandatory.

We're helping keep our community COVID safe  
by recording contact details for contact tracing.

It's easy to check in:

- 1 Scan the QR code with your smartphone camera or QR code reader.
- 2 Follow the prompts on the Service NSW app or on the Service NSW webform.
- 3 Don't forget to check out when you leave.

If you do not have a smartphone, please ask a staff member for an alternative method to check in.

### We respect your privacy

When you scan the QR code, the only personal information sent to Service NSW is your Customer ID, the location of the business you are visiting, time and the date of your visit. The business will not see or collect this information and it will only be used for contact tracing. We only keep this information for 28 days unless required for contact tracing related to a COVID-19 hotspot. Please refer to the collection notice in the app for more information.

This QR code is for Fig Tree Park Angus, 9992 Guyra Road, Wandsworth NSW.

# BULL TESTING

**Guyra District Vet**  
207 Falconer Street  
South Guyra, New South Wales 2365  
Ph: 02 6779 1173  
Email: reception@guyradistrictvet.com.au  
Date: 23-08-2021

This is to certify that, Leisa Brown of Guyra District Veterinary Services carried out a complete breeding soundness evaluation on each bull listed in the 'Fig Tree Park Angus' catalogue.

This included:-

- A *physical examination* - to ensure structural soundness
- *Examination of the reproductive organs* - rectal palpation to examine the secondary sexual organs, measurement of scrotal circumference, palpation of the testicles and full examination of the penis and prepuce
- *Semen collection and assessment of gross motility* - using an electroejaculator and assessment of motility using iSperm technology

Semen from the two year old bulls was also sent for *morphology* assessment by a UQSMP accredited morphologist at Australian Veterinary Semen Morphology.

To achieve optimal fertility in a herd, an individual bull needs to achieve a pregnancy rate of 65% per cycle. The ultimate aim of a bull breeding soundness evaluation is to identify any problems/risk factors that may compromise this. Each bull listed in the 'Fig Tree Park Angus' catalogue has been found to pass the requirements set by the Australian Cattle Vets Association bull breeding soundness examination.

All bulls have also been tested for pestivirus antigen by ear notch at Swans Veterinary Services and returned a negative result.

Signed: Leisa Brown Date: 23-08-2021

# REFERENCE SIREs

Denotes the bull is in at LEAST the top 20% of the breed for a particular trait or value.

Glenmorgan Klooney Man M203

EU Accredited "Pick of the drop" Un-joined commercial Angus heifers, 10 - 14 months of Age. This is the first time in history that the Siddell Family has offered the "Tops" of their commercial heifers for sale. These heifers would be an excellent addition to a self replacing Angus herd or for Wagyu F1 production. 10 head of these heifers (R110-R119) are sired by Lawsons Incredible L660, 3.4 IMF, 11.9 Eye Muscle Area, Top 1% Angus Breeding and Domestic Index, Top 2% Heavy Grain and Grass Index. The remaining five heifers R100, R105, R120, R121 and R122 are sired by Rennylea N144, BUSP11, ABWM203 and NORM450 who are represented through the pedigrees of the sale bulls. PLEASE NOTE THAT THIS IS A ONE TIME ONLY CHANCE TO PURCHASE THIS LINE OF HEIFERS. THEY WILL REMAIN IN THE HERD IF NOT SOLD AT AUCTION.
