

HOPGOOD CHAROLAIS BULL SALE

**13TH ANNUAL SALE
SALE COMMENCING 11.00AM,
THURSDAY, 2ND SEPTEMBER 2021**

CLERMONT SALEYARDS

HOPGOOD CHAROLAIS

We are selling 44 Charolais bulls this year which carry the exclusive Palgrove genetics. The draft consists of 14 red factor in total 27 polled 9 being red factor polled. The bulls are sired by Palgrove Hallmark, Palgrove Kingdom, Hopgood Lightning, Palgrove Legend, Palgrove Monument and Palgrove Millenium.

All sale bulls have had there 3 day sickness vaccine, booster shot with 7 in 1, 3 germ tick blood and botulism vaccinations. All sale bulls will be semen tested by veterinarian Cedric Wise. Sale bulls will also be scanned for Eye Muscle Area, Rump and Rib Fat, Marbling, Sale weight and Scrotal size.

We are selling on Thursday 2nd September 2021. It will be our 13th Annual Sale and would love to see you at the Clermont Saleyards at 11.00 am. We are very happy with the draft of bulls on offer and look forward to seeing you at the sale.

*Regards
Susan & Mark*

EBV	+0.3	+10	+19	+21	6
ACC	89%	84%	87%	83%	62%

Top 5% of the breed for Eye Muscle Area, top 10% for Fat Cover, top 20% for Scrotal, top 25% for Export & N'th \$Index. "Hallmark is something special in the Charolais bull breeding world. He's DNA tested to be homozygous polled and was used as a yearling in the stud. He's one of the best red factor bulls ever bred on Palgrove. Carcass numbers and spread of birth to maturity EBVs are exceptional. He's by a sire that we consider a 'never-miss' breeding bull out of a super fertile dam whose sons have sold to \$11,000. A real sire's presence; softness and temperament completes the story here. Semen retained by Palgrove. A bull that anyone would be proud to own! "David Bondfield

EBV	+1.0	+13	+25	+38	+8
ACC	85%	82%	80%	77%	63%

"Another exceptional Evolution stud sire prospect that we used in our stud as a yearling and we're retaining an in-herd semen share in the bull. His dam is all about fertility five calves by six years of age with a 358 DCI. This bull has moderate birth weight with above average growth and milk and a big scrotal - all the traits to recommend him for stud sire duties. Kingdom is a bull with exceptional natural thickness and wrapped in a really soft skin and hair type. As with all Evolution sons this bull has that sire character plus the 'grunt' that we have retained in our poll cattle. Great opportunity to secure a valuable sire."David Bondfield

EBV	+0.5	+15	+26	+37	+7
ACC	72%	61%	59%	59%	52%

Lightning is a Hallmark son that was just a cut above the rest. His super sleek coat, balance and outlook was too good to not bring into the stud. Lightning is packed with power but oozing softness at the same time. He is deep ribbed with exceptional carcass attributes. Lightning stands over a lot of ground, with excellent length from hip to pin. Lightning has a low birth weight and excellent testicular development. His mother E47E is one of the best cows in our herd. Lightnings tremendous thickness, volume, doing ability and performance is simple a cut above the rest.
