DEFINITIONS OF TERMINOLOGY

>> KEY TO ABBREVIATIONS:

DEMOS: **Y** = YARD **T** = TRAILER **R** = RACE

>> **NOTE:** THESE DEFINITIONS ARE TO BE USED AS A GUIDE ONLY:

- Buyers must use their own judgement when considering their purchase.
- Approximately 6 weeks should be allowed for a new handler to bond with his/her new dog (bonding time may vary between dogs).

>> **STARTING**

- Displays an instinct to work and approaches stock according to ability.

>> **STARTED**

- Has basic commands, (come, sit, stop etc.), some training on a lead.
- Eagerness to work may override obedience.
- Interested in stock and going around them in an enclosed area.
- Works according to natural ability.
- Handlers need to be on foot.
- Short practice lessons / sessions.

>> **WELL STARTED**

- May be uncomfortable in strange places.
- Confident on a small mob and may not handle a large mob.
- Makes a few mistakes.
- Reasonably obedient depending on levels of desire.
- May need a while to settle when working.
- Brings a small mob of sheep towards handler in easy situations.
- Learning to drive stock but sometimes goes to the head of the mob.
- Needs a firm hand and plenty of praise / encouragement.
- Can be worked from either a car, bike, horse or on foot when settled.

>> **TRAINED**

- Mature in appearance.
- May still be uncomfortable in strange places.
- Shows confidence in approaching stock that it is familiar with (for example: paddock dog - in paddock, yard dog - in yards)
- Acceptable levels of control.
- Keenness to work and nature will depend on genetic makeup.
- Yard dogs are keen to either force, back & bark when required

| | | |
|----------------------------|------------------------|-----------------|
| VENDOR: Alan McGurk | P: 0429 676 809 | DEMO: YR |
|----------------------------|------------------------|-----------------|

GENDER: Male **COLOUR:** Black/Tan **BREED:** Kelpie (WKC Reg)

SIRE: Sunraysia Boyd **DAM:** Jabaru Tilpa

COMMENTS: Robbie has learnt penning up with my team doing practical work on crutching trailers. Has real grunt and bark on crossbred and composite ewes. A late backer, he is more than comfortable with packing a race. His work in the paddock is surprisingly calm and keeps his distance while working. As a 16mo dog he shows all the signs of turning into a top all round farm dog.

GENDER: Male **COLOUR:** Black/Tan **BREED:** Kelpie (WKC Reg)

SIRE: Kelvale Lane **DAM:** Koonamara Gabby

COMMENTS: Kev is a friendly easy to handle strong young dog. Works with a muzzle if needed. Has all the basics mastered and is ready for real work. Keen backer, barks on command, easy to call off stock, has sides and good sit. Has worked on large mobs in yards and shed, limited exposure to paddock work. Has the potential to finish up a handy all-rounder.

PLAY HARD. WORK HARDER.

Nothing feels more satisfying than putting in a hard day's work - all working dogs know that better than anyone. They get up and work day in, day out, pushing themselves and never giving up until the job is done. Hard work like this requires the right fuel. New and improved Cobber Working Dog, with more protein and fat and the same unique balance of Diamond V XPC® prebiotic, vitamins and minerals gives them everything they need to stay in top condition - no matter what is thrown at them.

Cobber Working Dog. EAT. SLEEP. RUN. REPEAT.
