GREAT RAMS = GREAT LAMBS.

Newbold PRIME LAMB SIRES are bred for lamb production. We use both Lambplan ASBVs and visual assessment to produce rams that sire heavy, early-maturing lambs that go on to provide the best profits for our clients.

2021 Rams

We are pleased to be offering a solid line up of rams again in 2021. The 2020-drop rams are all excellent examples of Newbold sires - high growth, high quality and easy care - and include a number of rams sired by last year's top-priced ram - Newbold 27-19 who sold for the record price of \$20,000.

Newbold rams are tailor-made for high profit prime lamb production. Bred to produce lambs that grow quicker and reach target weights in a shorter time.
