2021 Ram Sale

Est. 1963

One Oak Poll Merinos

Annual on-property auction to commence at 1pm
Interfaced with Auctions Plus
Inspection from 10am.

Friday 24th September 2021

1340 Liddles Lane, Jerilderie, NSW.

Welcome to One Oak Poll *2021 ram sale*

This year's sale rams are a very consistent line up of sheep, from lot 1 through to lot 110. We are very proud of what we have bred and are offering today. These rams represent our objective of producing a true dual purpose Merino, that combines constitution with quality wools.

The average micron of all auctions rams is 18.8, SD - 3.2, CV 17.0 and CF 99.4. The wools are soft, white and heavy and the structure of the rams square, showing good constitution across the board.

Our on-property sale will also be interfaced with Auctions Plus this year.

If you have any queries regarding the rams, please feel free to catch up with Alistair on sale day. Or if unable to attend our sale on 0427 867 117. Lunch and morning tea is provided. We welcome you to our 2021 ram sale!

One Oak Poll

2021 Ram Sale Catalogue - Breeding Program

One Oak Poll is divided into 3 types:

Fine types: (600 stud ewes) white tags

Medium Wool: (1200 stud ewes) blue and purple tags

Stronger wool types (500 stud ewes) red and brown tags

White (W) Tags: finer wool types (F Syn), 18-20 micron, with a One Oak No.2 infusion. They are a fine medium, dual purpose type that will handle all environments. Until 2014, white tag ewes were joined to the biggest, heaviest cutting One Oak Poll sires. We have since joined these white tag ewes to rams with a One Oak No.2 background.

Blue Tags (B): medium wool type, 19-21 micron is the bulk of our stud, bred to go into the sheep/wheat farming areas

Purple Tags (P): rounder, heavier nourished medium wool type ewes, 19-21 micron, joined to the biggest frame medium wool sires.

Red Tag (R): Largest framed, stronger woolled ewes (20-22.5 mic) have been joined to heavier rich wool sires.
