## *Welcome to the 2021 Prime Angus Spring Bull Sale.*

Welcome to our first Spring Sale, the 2021 Prime Angus Spring Bull Sale. We are happy to present a quality line of Bulls, with both 18-month-old bulls and well grown yearlings. There are a number of top sires represented – Beast Mode, Keystone, Katapult K1 and Momentous among others.

July has brought with it good rainfalls, making it very wet under-foot. The bulls are doing well and will be in tip-top shape by sale time.

What an exciting time to be involved in the cattle industry. A large part of Australia has had good seasons with huge swaths of the country covered in abundant feed. The cattle prices keep going up and up due to strong competition between re-stockers, back grounders, feed lotters and processors. The EYC indicator has gone to an all time new high of over 1000 cents per Kilogram, who would have dreamed that this was possible.

You can buy from Prime with confidence, as all bulls are sire verified and most are parent verified, (we are working to having all our herd parent verified). All bulls have been vaccinated, ear-notch tested free of pestivirus, semen tested, scanned and have had their genomics included in their EBV's. All bulls are free from the known genetic defects by testing (AMF, NHF, CAF, DDF) or pedigree (AMFU, NHFU, CAFU, DDFU).

The whole Prime herd is JBas 8, having all been faeces tested Johnes free in June 2021, making Prime cattle able to be sold Australia wide.

**'Prime Cattle are bred to Perform'**

# PAYMENTS, REBATES & DISCOUNTS

We are pleased to offer a 4% rebate to all agents who attend with or on behalf of their clients and settle within seven (7) days. All Introductions to be made to Colin Flanagan Email Pat.ebert@outlook.com

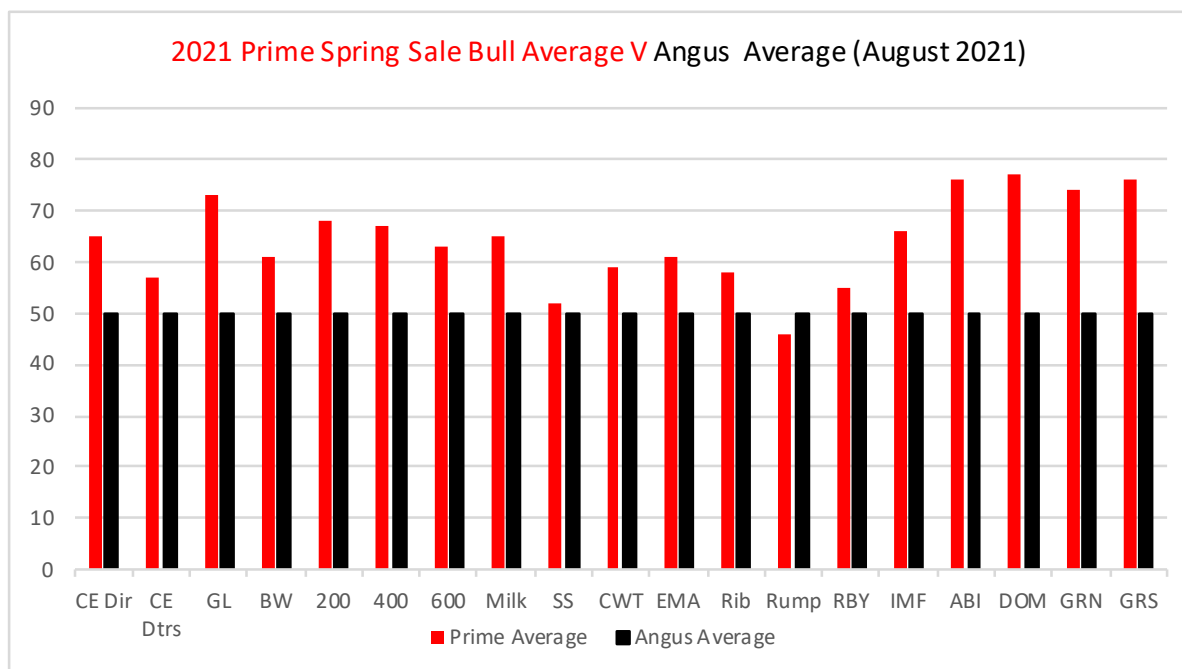

A 2% rebate is offered to all other agents who introduce their client in writing 24 hours before the sale and settle within seven (7) days

Prime Angus will deliver Bulls to major centres or on farm up to 200km radius.

*We are proud to offer well above the current Angus Breed Average at Prime Angus*

Prime Angus - Bred to Perform

**1. Prime Angus is LPA Accredited and J BAS 8**

Last faeces sample test June 2021

Prime Cattle are accepted in all Australian states – including WA.

**2. All bulls have been DNA sire verified and a number have been parent verified (Sire and Dam).**

Prime is working towards all animals being Parent Verified.

**3. Recessive Genetic Conditions**

All Sale bulls are free from genetic defects, AM, NH, CA, & DD either by pedigree or by testing.

**4. DNA Genomics**

Prime Bulls have been DNA Tested for Genomic Markers which have been incorporated into their Angus EBV's.

**5. Breeding Soundness**

Prime Angus bulls have undergone a thorough examination by Nationwide AB, including physical examination and semen testing on 27<sup>th</sup> July 2021.

**6. Scanning**

Bulls were scanned by Max Bowman Livestock (Accreditation No. 1026) July 9<sup>th</sup>, 2021.

**7. Pestivirus**

Prime bulls have been ear notched and tested free of Pestivirus.

**8. Animal Health**

Bulls have been 7 in 1 vaccinated

Bulls have been Vibrax Vaccinated

Bulls have been Pestigard Vaccinated

Bulls have been treated with Dectomax Pour on

Bulls have been treated with Panacure 25 Oral Drench

Bulls have been treated with Multimin

**Warranty**

All bulls have been independently evaluated for structural soundness and fertility. To the best of our knowledge the bulls are all in sound working order at the time of sale.

If in the next 12 months, a bull becomes infertile or breaks down, provided it is not caused by injury or disease contracted after leaving Prime. (a veterinary certificate may be required)

We will –

a) Replace the bull with a suitable match (excluding any costs and expenditure of the purchaser taking delivery), or

b) Grant a credit (less any salvage value) to be used at Primes next bull sale.

**Prime Angus - Bred to Perform**

### ***Sale Date & Prior Inspection Time***

Selling will commence at 1 PM on Thursday September 9 at 1PM. All Sale Lots can be inspected on the morning of the sale from 10am or at any other time by arrangement with Colin Flanagan – 0408 848 864.

### ***Covid 19 Guidelines***

Under current COVID 19 guidelines and with the safety of the community utmost in our minds, every person attending our sale will be asked to sign in using the QR code provided.

### ***Phone Bidding***

Phone Bidding can be arranged prior to the sale by contacting Michael Glasser GTSM - 0403 526 702 or Colin Flanagan – 0408 848 864.

### ***Selling System***

Bull Sale will be conducted by Video, under normal Auction conditions, interfaced with AuctionsPlus. All bulls will be sold exclusive of GST. Each bull will be sold as a separate Lot.

### ***Delivery***

Prime Angus offers free delivery for bulls within 200km radius.

Arrangements must be made on sale day by filling in the Buyer's Instruction sheet in the catalogue and handing it to an Agent and will be arranged at the carriers convenience.

### ***Insurance***

All cattle are at the risk of the buyer from the completion of the bidding at the sale. Please see one of GTSM staff to organise any insurance requirements.

### ***Registration***

All bulls are HBR Registered with Angus Australia. Prime Angus will transfer each bull to the new owner, so please supply the correct information on the buyers instruction sheet.

### ***Caring for your New Bull***

On arrival at their new home it is important that you have a suitable group of animals to greet the bull, this minimises stress. Remember they are leaving the security of a large mob and will be arriving in unfamiliar surroundings. Steers or pregnant cows would be suitable, certainly not other bulls.

The bulls are in good working condition at point of sale, but good nutrition for the bull during mating is imperative and will equate to good joining results. Check bulls regularly to detect any problems early, therefore minimising damage to the bull and to conception rates. It is important to continue to look after your bull after mating, as yearlings they still have a lot of growing to do.

### ***Catering***

Refreshments are available on Sale day with the compliments of Prime Angus. This includes a barbecue lunch.

### ***Accommodation***

Benalla, Mansfield and Wangaratta all have numerous options for accommodation within easy driving.

### ***Health & Safety of Visitors***

**Our bulls are bred to work so they need to be shown respect.**

Under normal circumstances they are quiet to handle, however even the quietest bull is in fact an unpredictable animal so be alert.

Do not crowd the bulls or loiter inside the pens unnecessarily.

Please call on an escort through the bulls if required.

**VISITORS ENTER THE CATTLE PENS AT THEIR OWN RISK**

**NO CHILDREN ALLOWED IN PENS**

# DISCLAIMER AND PRIVACY INFORMATION

## Attention Buyer

Animal details included in this catalogue, including but not limited to pedigree, DNA information, Estimated Breeding Values (EBVs) and Index values, are based on information provided by the breeder or owner of the animal. Whilst all reasonable care has been taken to ensure that the information provided in this catalogue was correct at the time of publication, Angus Australia will assume no responsibility for the accuracy or completeness of the information, nor for the outcome (including consequential loss) of any action taken based on this information.

## Parent Verification Suffixes

The animals listed within this catalogue including its pedigree, are displaying a Parent Verification Suffix which indicates the DNA parent verification status that has been conducted on the animal. The Parent Verification Suffixes that will appear at the end of each animal's name.

The suffix displayed at the end of each animal's name indicates the DNA parentage verification that has been conducted by Angus Australia.

- PV : both parents have been verified by DNA.
- SV : the sire has been verified by DNA.
- DV : the dam has been verified by DNA.
- # : DNA verification has not been conducted.
- E : DNA verification has identified that the sire and/or dam may possibly be incorrect, but this cannot be confirmed conclusively.

## Privacy Information

In order for Angus Australia to process the transfer of a registered animal in this catalogue, the vendor will need to provide certain information to Angus Australia and the buyer consents to the collection and disclosure of that information by Angus Australia in certain circumstances. If the buyer does not wish for his or her information to be stored and disclosed by Angus Australia, the buyer must complete the form included below and forward it to Angus Australia. If the form is not completed, the buyer will be taken to have consented to the disclosure of such information.

### BUYERS OPTION TO OPT OUT OF DISCLOSING PERSONAL INFORMATION TO ANGUS AUSTRALIA

If you do not complete this form, you will be taken to have consented to Angus Australia using your name, address and phone number for the purposes of effecting a change of registration of the animal(s) that you have purchased, maintaining its database and disclosing that information to its members on its website.

I, the buyer of animals with the following idents.....  
.....

from member.....(name) do not consent to Angus Australia using my name, address and phone number for the purposes of effecting a change of registration of the animals I have mentioned above that I have purchased, maintaining its database and disclosing that information to its members on its website.

Name: ..... Signature: .....

Date: .....

Please forward this completed consent form to Angus Australia, 86 Glen Innes Road, Armidale NSW 2350.

If you have any questions or queries regarding any of the above, please contact Angus Australia on (02) 6773 4600 or email [office@angusaustralia.com.au](mailto:office@angusaustralia.com.au)
